PRESIDENTS REPORT 1987

It gives me great pleasure in presenting our 1987 Year Book, which I hope you will enjoy and keep, as a memento of your clubs achievements.

This has been a year of some frustration, with wet weather and the inability to train our teams, because of washed out training fields, but in spite of this we should be extremely pleased with our results.

My congratulations go to all players, coaches, managers, parents and supporters who have shown, not only, their prowess on the field of play, but also a sense of fair play, both on and off the field.

My thanks must go, once again to our sponsors, and also to the members of the management committee, the coaches, managers and the many volunteers who have come to our assistance when required.

My one disappointment this season, is the rumors, gossip and innuendo, that has crept into such a great club as ours, my advice to all, is, if you wish to make a suggestion, a complaint or to gain facts on some matter that has disturbed you, then please attend your clubs general meetings, where all things are brought out into the open and discussed.

Remember it is a great club, it is your club, and only you and your efforts can maintain that status.

Yours sincerely,

Rob Glass

SOCIAL REPORT FOR 1987:

I would like to take this opportunity to thank all the GIANTS who supported our two Cabarets and our GIANT Raffle this year.

Both evenings from all reports were enjoyed by all, and financially they were both successful as well.

Our big Raffle, whilst not reaching expectations, was still a financial success, so many thanks to the GIANT supporters.

THE WINNERS OF THE RAFFLE WERE:-

1st Prize Ticket No: 4625 WON by N.TOME
Supporter of the A/L6.2

2nd Prize Ticket No: 0144 WON by B.MOORE
From the 9A Team

3rd Prize Ticket No: 0849 WON by L. KENNEDY
From the 8D Team

Selling the winning ticket and winning a voucher from CHARLIES SPORTS STORE was STEVEN BISHENDEN from the A/L6.2. team.

CONGRATULATIONS TO ALL THE ABOVE.

* * * * * * * * * * *

I would also like to thank all the people who helped at both CABARETS and also on our GIANT CRACKER NIGHT. Your assistance was greatly appreciated.

I would also like to take this opportunity to say a personal thankyou to, ROB, TERRY, LORRAINE, EILEEN & DAVE.

To GORDON PHILLIPS, a very big thankyou for all your help, behind the scenes, to your Donation making our Firework night even bigger & better than ever, and for the beautiful SILVER TRAY TEA SERVICE, which was a major prize at the End of Season Cabaret. A GIANT thankyou from me on behalf of all the GIANTS at GYMEA.

It only remains for me to say, that I hope you all have a happy and enjoyable Summer, so until next year, GOOD LUCK to ALL.

See you on the Sidelines.

MAUREEN

SOCIAL SECRETARY.

TEAM: 6 BLUE

COACH: Matthew Booker

MANAGER: Greg Austen

PLAYERS:

LUKE AUSTEN	DAVID BELL	PETER COX
NATHAN GOUGH	TODD GRANT	RHETT KERNEY-ENNIS
ROHAN MOUNTAIN	STEVEN PALMER	

Congratulations boys on a great season which gave your spectators much enjoyment and pride in the way you played. Outstanding in defence, were Nathan and Rohan showing tenacious tackling, David with his cover defence and Todd's midfield running. Peter's wing play set many attacks in motion for Rhett and Luke to hit the net. Only one defeat all year reflects the all round strength of the team and much of this is due to Matthew's coaching, well done Matthew you have taught the boys to really enjoy their soccer at this early age. It was a privilege to be associated with such an enthusiastic bunch of boys.

TEAM: 6 GREEN

COACH: Cameron Gowing

MANAGER: Judy Hurst

PLAYERS:

MITCHELL CLARK	RYAN CLARK	RYAN COLLINS
REECE HARWOOD	DREW HURST	MARK PETERSON
LUKE SOLA	DAMIEN WELSH	GARRICK BRYSON

I think I can confidently say the boys and parents all enjoyed the season and were lucky to have a fair and knowledgeable coach for their first (for some second) introduction to playing soccer. It was great to watch the boys gradually improve in their ball skills and knowledge of the game and with the improvement, their enjoyment of playing soccer also developed. We'll look forward to seeing all the boys again next year.

TEAM: 6 RED

COACH: Josh Hackney &
Mark Cerney

MANAGER: Peter Brien

PLAYERS:

DAVID BRIEN	ADAM BRUCE	CRISTIANO CHALLENGER
TIMOTHY ENRIGHT	CAMERON MACLEOD	DAVID McDONALD
MATTHEW McDONOGH	RYAN NEWETT	MATHEW RICHARDS

For these fellows it was their first time on a soccer field, their first meeting with other boys who were playing against them rather than with them and our little gentlemen were 'nt too sure about it! However, enthusiastic training sessions organised by Josh and Mark led to:- Cameron McLeod, Ryan Newett, Cristiano Callenor - defending well; Mathew Richards, David Brien - improvement in attacking skills; David McDonald, Adam Bruce, Timothy Enright - our best goalies; and Matthew McDonogh - Star Player. Thank you to parents for vocal support, the boys have gained a good understanding of soccer, sportsmanship and most importantly enjoyment of playing.

TEAM: 7 BLUE

COACH: Darren Harrow &
Troy Annakin

MANAGER: Jean Brown

PLAYERS:

MATTHEW BROOKING	TOBY BROWN	DREW DUNPHY
TRAVIS MOORE	SCOTT MURRAY	ANDREW PHILLIPS
LEE SUTHERLAND		

The team started the season playing against 'A' level sides who were generally too good for our boys, but after a few matches they were dropped a level and this allowed them to enjoy their soccer and win 7 games. The boys attended training and playing their matches with enthusiasm and fun. They learnt to play as a team, always supportive of each other displaying good sportsmanship. Also we would like to thank the parents for their support and co-operation in getting the boys to training and matches. Finally we would like to thank our manager Jean Brown for her continuous help all season.

TEAM: 7 GREEN

COACH: David Caruana &
Brett Morris

MANAGER: Celia Hacker

PLAYERS:

PAUL ANTHONY	GREG BRADBURY	SCOTT DRUERY
IAN HACKER	TODD McLEAN	RYAN MORRISON
CHRISTOPHER ROBINSON		ANDREW OPPERMAN

What a great little group of Gynea Giants. We may not have many wins to our credit but there has been some good soccer and lots of fun. Credit must go to David and Brett for a job well done with the boys, who started as 8 individual players and ended as a team. They all showed a great improvement in confidence, especially Scott and Andrew. Greg and Todd were a great team in defence strongly supported by Andrew in later games and Chris, our future Australian goalkeeper, was a star. Paul and Ian ran their hearts out with some great tackling. Ryan was our champion striker with a late challenge from Todd (4 goals in 2 games). Our greatest disappointment was the wash out of the Sans Souci knockout. Our names were on that trophy this year. Thank you to all parents for their support, especially Cheryl "stand-in manager" Bradbury.

TEAM: 7 RED

COACH: Lloyd Zietsch

MANAGER: Sharon Clark

PLAYERS:

DOUGLAS BAKER	DAVID BLAXLAND	MATTHEW CLARK
LES KEERS	MARC LAWRENCE	WAYNE MCKINLEY
ADAM ROYLE	MARK UEBEL	DANIEL ZIETSCH

The 7 reds had a very good season. For seven of the nine players this was their first season playing soccer and it was terrific to see their keenness and dedication to learning the fundamentals of the game. It was also good to see players developing skills in certain areas. For example David Blaxland and Wayne McKinley proved to be very tough defenders. Douglas Baker for his extremely long and accurate throw ins. Mark Lawrence, Daniel Zietsch and Adam Royle showing a tendency to be aggressive attackers. Most important are those players who are very versatile being able to play extremely well in almost every position in particular were Les Keers, Mark Uebel and Matthew Clark. In conclusion an enjoyable season from a keen and cohesive group of young soccer players.

KANE DENHAM

JAMES EADES

OWEN FIELD

PHILLIP GLENDINNING

LEE RICHARDS

MATTHEW ROOTS

The team developed continuously through the season and by the end could hold its own against any opponents. Kane was consistently our best player attacking strongly and always willing to help defend. James and Phillip controlled the midfield well. Our best goalies who also filled in well as fullbacks were Craig and Lee. Matthew was our specialist fullback and was rarely caught out of position. Our newest boys to soccer Owen and Troy made steady progress. Most important the boys thoroughly enjoyed themselves and displayed a level of sportsmanship which brought great credit to themselves.

A good year for the 8A's, considering we only had the bare 7 in the side the lads played well, finishing only 1 point away from the semi-finals. After losing a player (Nathan Carter) towards the end of the year we most appreciate the back up support from the other under 8 teams. Keep up the good work lads and you will probably get there next year.

It was very pleasing to see the team improve in both skill and results during the season. The coaching of John showed as the season progressed and the wins came. In the forwards Dane and Paul played well scoring quite a number of goals between them. Peter towards the end of season commenced to strike the ball home better and scored a couple of goals. Matthew, Greg and Michael brought the ball up all the time and fell back to help defend. David and Marc played defence well and as the season progressed tightened up the defence. All the team took their turn at goalie. The parents fulfilled their role as supporters and cheer squad, I don't think we went overboard with our support. Well maybe once or twice. Thanks to Ken for his support of the team. In all a good season for everyone concerned. Congratulations to the team on their great effort during the season.

Premiers W-10, D-5, L-3, 34 For, 11 Against. Craig Grant 19, Deane Eades 7, Michael Skillicorn 5, Daniel Bruce 3, Adam Peterson 1. What a year! To start with many thanks to the grading committee for yet again doing a tremendous job giving me a very well balanced and keen side. While the accolades are going my whole hearted thanks go to my manager Jenni Reid without whose help we could not have achieved any of the goals we started for. After two games I had despaired of even scoring let alone winning a game, but the boys eventually found the back of the net and then kept doing so frequently thank goodness. The goal keeping duties were shared during the season with Adam & Deane starring on a couple of occasions. The defence was carefully marshalled by Paul Reid and Ryan Kennedy ably assisted by the man who could play anywhere Adam Peterson. In the middle Deane Eades and Michael Skillicorn were on the ball the whole time with Deane scoring the winning goal and Michael starring all over the ground in the grand final. Up front Craig Grant was the main striker hitting the back of the net 19 times during the season he was ably assisted by Daniel Bruce up front. While the big improver was Michael Opperman who came so close to opening his scoring account for the season in the one that counts most-the grand final. Many thanks to all parents and supporters for the help in assisting to make this a very enjoyable season not only for the kids but for Jenni & myself.

This was the first season these boys played together as a team and for some, their first year in a competitive team sport. With a few (2 or 3) extra wins during the season this side would have finished in the semis, a great team effort first year together. The coaches had their hands full most training nights controlling the boys enthusiasm but managed through patience and persistence to impart a great deal of their knowledge of the game of soccer into their charges. This was evident in the way the boys played, both individually in their selected positions and overall as a soccer team - well done coaches - thanks. It has been an interesting season meeting such co-operative and helpful parents which made the position of manager that much easier, your friendly attitude and understanding is much appreciated by both my wife and myself. We hope to see all of you next season, boys playing and their parents actively participating in the game of soccer with the Gynea Giants. Best wishes until then - Cheryl and Col.

As a temporary coach at the beginning of the season I've stayed with the team until the end of the season and have enjoyed every minute of it. We had seven boys out of which 4 never played soccer before and with their commitments noticeable improvement was the result with all in the team even though we didn't make semis. I feel that the boys have displayed some very good team work but even more importantly they have enjoyed themselves every week. Likewise the parents were there every week and what a wonderful bunch of people. As a coach I would like to thank the boys and also all of the parents. Special thanks to the best manageress in the club Mrs. Pat Baker who has done an exceptionally good job. Good luck next season little Giants.

1987 was a building year. We finished just out of the semis and all in all was quite a good year. I think all the boys enjoyed playing in the team, as we did coaching and managing them. I hope the parents enjoyed themselves because without your support there would not be any junior teams, thank you. 1988 will see the rise of a great 'A' grade side, to boys who drop out thanks for your help and to the boys who come up congratulations. I hope there will be no changes. Thankyou for a great year as manager - Gordon Phillips.

The 9B's had a mixed season of soccer. The first half of the competition saw the team struggle to get competition points. Playing with replacements repeatedly did not allow the boys to form good team work. The second round saw a big improvement with the boys showing they could hold their own against any team in the competition. We were defeated by only one team twice in the competition and the boys tried their hardest in every match. Thank you to Matthew Harris for his time, patience and interest in coaching the team. Congratulations boys on the "Most Improved" award from the Association.

With the boys having to adapt to a larger field the season got off to a slow start but we steadily improved our game to win and draw a few matches against some of the leaders of the competition. The boys were all playing well now as they gained their confidence amongst themselves as a team. 1987 has been a year of learning to play positions on a larger field. A special thanks to Coral Teale and the boys of the 9E team for their support when we needed to borrow players - Nola Lawrence.

Although we just finished out of the first four, I do believe that the season was a most enjoyable one. The effort and team work was shown by the boys in this team and was very pleasing. On behalf of Scott and myself I would like to take this opportunity to thank the parents who turned up each week to lend their support and make our first year of coaching most rewarding. A special thanks to Coral Teale for her effort as manager.

The season wasn't a great one as far as for being in the winner's circle was concerned but the boys never stopped trying and gave the best of the ability each and every game. However, the boys enjoyed their soccer which was evidenced by their attitude on and off the field and their attendance at training each week. With the same effort next season I am sure we can learn to enjoy winning as well as losing. Thanks to all the parents for their great support. Look forward to coaching the 11's team next year and seeing all the boys develop further as soccer players and as a team.

A disappointing season without any luck. Many games we played better than the opposition but conceded easy goals and missed our opportunities although the boys showed true Giant spirit and never let the defeats get to them. Some of the defeats were heavy! All boys improved during the year and no one could doubt that they enjoyed their soccer.

Once again we started the season slowly by losing our first four matches. Some of these losses were only marginal (1 - 0 being a typical scoreline) and we were having difficulty scoring goals. Things gradually picked up and confidence returned after a series of drawn matches. Towards the end of the season we picked up points in six consecutive matches and had a fine one all draw with Como who were placed second in the competition at that time. If the boys can start the 1988 competition with the same confidence and teamwork that they finished this season with, they certainly can look forward to greater success.

If heart won competitions, these boys would have been miles ahead of the opposition. Kicking off the season with a 5-0 win, they went on to put four rounds under their belts for a tally of fifteen goals and conceding only one. The last round showed the boys to have scored fortysix goals for and had only nine scored against them. They had won ten games, drawn three and lost three. Aside from a one all draw early in the season, the only teams to score against and defeat us, were the eventual grand finalists. Winning the semi final on goal averages, we went on to be defeated in extra time by the premiers. This mighty team of Giants acquitted themselves most admirably in this final game and were the better squad for most of the hostilities, although unable to put the ball in the net. Oh for just a little luck. It was gratifying to see the individual skills develop as the season progressed. Although individual skills, they were moulded into team skills by very astute coaching and was most pleasurable to watch. An example of this would be the fact that all players had goals accredited to them. Two of our forwards did rattle up twenty two goals between them, although without the teamwork behind them this would not have been possible. It would be unfair to single out any particular player, suffice is to say, you can all hold your heads high. Watch out for this lot next season. Last of all, thanks to the parents for the assistance throughout the year. See you all next year.

After a disastrous start, the boys fought back well, to just finish outside the four, what made their effort commendable was that they achieved this with only 10 players. Remember team sport, any team sport, is character building and a lesson in life. The latter part of this season brought great joy to me to watch the boys play good football and also to watch their friendship towards one another develop, also remember that if you put 100% into your game and lose, you can do no more. Thanks a lot fella's for the past 3 good years.

Won 11, Drew 3, Lost 7. Scored 55 goals with 29 against. A really nice team of boys who developed their team and individual play as the season went on they scraped into 4th spot for the finals and then played their best soccer to gain a place in the grand final against Heathcote only to fall victim of the new finals rule with the match finishing at 1-1. Obviously the boys were disappointed but they accepted it like true sportsmen - well done! We had 8 goal scorers for the season (which shows their versatility) with the majors being scored by David Ward (20), Aaron McKinnon (11) and Bradley Gallagher (10). It was certainly great to receive the support by the parents who regularly turned up to support the boys. Also thanks for the great roll up on our 2 ground control days. Having only the required 11 players, holidays and sickness took its toll, but due to good club co-operation we were never short thanks to the 12E, 11B and 11E players who filled in and always played well. Good luck for 1988 boys.

Well all good things eventually have to come to an end. After 4 years of being together it's like I have been part of a big family. We have made 2 grand finals in 'B' grade and two years in 'A' grade. We didn't do too well in this comp but just the same I feel we gained a great deal of experience and both parents and players alike enjoyed these comps. Unfortunately due to the new age rules brought in by the association, we are breaking up what would have been a very good soccer team. But I'm quite sure that we will all meet again. I would personally like to thank the players and parents I have been associated with over the 4 years, the players have been most enjoyable to coach and the parents have been a great support. You are a very nice group of people. I would also like to thank our manager Gary Flynn who has done a great job managing (where would we be without him) and organising the team. Also to our sponsor Gary Flynn Smash Repairs, which I know the boys have been proud to display the sponsorship panel. Also on 5th September the 13A's played in a knockout comp at Cherrywood Soccer Club in Llandilo, but unfortunately we were beaten by a couple of corners, and didn't qualify for the semi's. All in all we had a very enjoyable day. Thanks to all involved throughout the four years. P.S. I would like to thank the Gynea Soccer Club and Committee for such a successful and enjoyable year.

Started the season with 10 players, played games with as little as 7 players and made the semi's after being dropped from D to E with no points, all in all a great effort. The players improved all through the season and are playing good football now. Although this is a team report must mention the support of the parents who cheered the boys on - well done and thanks. I may eat my words but we have the ability to win the premiership if we field 11 players, whatever happens it's been a great season, the spirit/enthusiasm/keenness to play and win has been great to see and has made coaching a pleasure, well done everybody! The boys won the Grand Final and deserved to, they were by far the better team, the smiles on their faces said it all to parents/officials - well done. This has been a memorable year for both boys and parents of the 13D's. Most of the boys have never been near a semi let alone playing in a final and this result was achieved by good team spirit of the boys and the dedication of their coach who has been very supportive whether in victory or defeat. Thanks to the parents who helped out in canteen, ground control and by attending most of the matches. Special thanks to Aaron for coming to every game with his broken leg and to Angus and Craig for sharing the goalkeeping for the season. Maybe, next year if we don't have any broken legs or feet we may be grand final material. See you next season.

A slow start, some moments of dreamtime during the season, but finished very strongly making the grand final. We were the best football team in the Comp. but couldn't beat the BIG Boot at the finish. The season showed the boys capable of good soccer when they put their minds to it. The climax for me was the final when we beat Kirrawee 5-1 and played brilliantly. That game alone was worth the years effort, we've progressed each year one step up the ladder lets make next year minor premiers and winners of the Grand Final - Well done everybody!

The results that the team achieved were not entirely indicative of the effort and spirit that continued throughout the season. The efforts made by the fullbacks were outstanding. However, even though everyone did their best, lack of consistency, failure to play to ability and lack of teamwork cost a number of hard fought matches. With more commitment and especially self-confidence, Plus a better grading, the boys can expect a better season next year. Finally, thanks to all the parents whose support and enthusiasm made the task of coaching and managing the team all the easier.

Our team played in a ten team competition and were undefeated in 18 competition games, a semi-final and a grand final. We had two draws during the season.

We won both the minor premiership and the premiership, scoring 75 goals to 4 against in 18 competition games winning our semi-final 4-1 and grand final 2-0, to give a total of 81 goals for to 5 against for the season.

In the State Cup playing in the Under 16 division we lost both our games (3-1) and (2-0). However, we were far from disgraced. In our first game we played with 10 men after an injury in the first minute of play and were still a chance until well into the second half. In the second game our opposition played with more confidence and deserved their win in a close fought game.

In the Champion of Champions we won our first game 4-0. In our second game after having 2 goals disallowed we finished 0-0 after extra time and were beaten in a penalty shootout.

The season was a most successful one and a most enjoyable one. During the year we borrowed two players, Peter Oke 13A and Matthew Robinson 14A and both players acquitted themselves very well. The success of the games reflects the efforts of our Coach whose dedication and knowledge of the game resulted in improvements in the ability of all our players individually and in the contribution of each player to the team effort.

Our special thanks to all the parents who supported the team throughout the year and willingly answered our requests for assistance with ground control and canteen duty.

Considering we only had seven players to start the season we managed to scratch up more boys, thanks to the kids. We didn't win the Comp. but it was a good social season, enjoyed by most which is the main aim in playing the sport-TO ENJOY THE GAME. We couldn't train for a large portion of the season dur to circumstances beyond our control but we still came through O.K. we hope to see the same team together again for yet a better season next year.

At the start of the season we had far too many players (17) and this caused dissatisfaction and ill will all round. It was obvious after the first four match results that we had been overgraded but none the less the boys showed an indomitable fighting spirit and persevered a nightmare season. We came very close to doing a David & Goliath act on some of the top 7 teams and by the end of the season had gained the respect of all the teams we met for our sportsmanship and "never say die" attitude.

I am very pleased to have been associated with these lads and next year I predict they will be in the final. Thanks 18B GIANTS

After a good start we fell away due to wet weather, injuries and absences. The finishing was not as good as previous seasons and the defence fell away at the same rate. Not being able to train regularly did us no good and accentuated the ravages of grog and age on the players. We forced a play off for 4th position and duly won after extra time. We just could not find the extras to win the minor semi-final going down to Engadine 2-0. Thanks to all our supporters, in particular, "reisling row" who never said die. To the dulcet tone of Harry - we thank you - but we don't really believe you have given it away.

A great year for the 21C's. From virtually bottom of the ladder in 1986 to the Grand Final in '87 was a great achievement. The team consistently showed great spirit and commitment and the enthusiasm at training was exceptional. 1988 looks as though it will shape up to be another great year with hopefully a win in the last and most important game of all. Thank you to our great manager and a special thanks to our supporters for all their encouragement throughout the season.

Well fellows we started the competition at a hundred miles an hour, we were all keen to do well. We had Trevor back after a 12 months forced lay off. Also his brother Terry joined us this year and as well as Young Roo who acquitted himself well during the year. At the turn of the first round we were undefeated then our wheels started to fall off. Due to injuries and the dreaded yellow cards our game fell away. We only just missed out on the final four by 2 points - Well done to all players for their effort this year. Thanks to Leanne and Ron for being the manager this year and to J.K. for looking after the team when I couldn't make it.

An unlucky start to the year losing 10 - 0 in the early games then being regraded things looked a bit rosier even though we only won a few games we kept trying. With a full team most every game we started the season with 17 men. With injuries & sickness we finished the year with 12 nearly healthy men who never gave up. I am proud to have managed a proud team and thanks to Peter for being my offsider. Good luck next year guys.

Another great year which saw us finish second after completion of the second round. We were then successful in our semi final and progressed to the grand final. However, our bid for a hat trick of premierships narrowly failed with a 4-2 loss to Grays Point. As was the case with the previous two years, all players performed considerably and were a credit to the club. All matches, particularly the grand final, were played in a very competitive manner with all players giving more than 100% effort on all occasions. Whilst it was very disappointing to lose the grand final all concerned are very proud of your efforts this year. Hopefully, the nucleus of the team will back up Alan next year and be competing as per the previous three years. Many thanks to all players for their assistance to me throughout this year. Also, many thanks to Alan and Jan for their usual well performed manager duties. On this personal front, congratulations on the engagements of Alan and Jan & Bruce and Glenda. Also, congratulations for the pending births of the Palmers and Kellys. We are getting closer each year to getting a "team of our own". Finally, I would like to wish all players and their partners and families a Merry Christmas and Happy New Year. Hope to see you all back on deck next season....John.

A good effort to finish minor premiers at the end of the season in the majority of cases coming back from being one goal down. This is an indication of the persistence and purpose which the team has added to its ability, which was always there. If the team stays together, as the players mature, further improvement is definitely possible. On yer fellers you deserve it. A good year for everyone thanks to parents & girlfriends for their support and encouragement.

A great season with top efforts from all 15 players. We finished a well deserved Minor Premiers being the most consistent team throughout the competition losing only one game. Luck didn't come our way after making the Grand Final losing 2-1. Thanks to the team for playing we all had a lot of fun I'm sure. I'd also like to thank the supporters for their efforts each game. What a season ! The SSJSFA are to be congratulated on the introduction of a competition for players of mature years and, on reflection, it was good timing. Only 3 days before the start of the season team strength is 5 registered players but, thanks to a combination of good scouting and speedy registration, we have a side for the first match and what a match ! One up in 5 minutes and we are thinking this over-35 comp is going to be a breeze..... **7 goals later** and we are back to reality with a bump. It's going to be a long hard winter ! In the next 4 matches we introduced ourselves and started hauling in the points. There followed what can only be described as a remarkable transition and we are up with the leaders inspired by a calculation that puts our average age atyrs. Thursday training sessions are intensified, oppositions are analysed at great length and in the early hours of Fridays the magic formula is developed. We make the semis and the finals but, as if that wasn't enough at our age, the semis start again and despite an incredible list of injuries we are into the Grand Final against the team referred to above.....

What a coincidence, and this time we are giving nothing away.

A big thank you to our manager Kevin Jeffree, our patient wives, our participative supporters and the Club Committee for making this such an enjoyable season.
