PRESIDENTS REPORT

Once again it is my pleasure and priveledge to extend congratulation to one and all, for their efforts during the season, our results were not as good as previous years, and I believe most of this can be attributed to the change in eligibility dates for registration by the A. S. F. (The Australian governing body of Soccer Football).

This decision also made what is normally a reasonably straight forward task of grading both players & teams into a more difficult one. Some other clubs put aside this responsibility and have this unenviable job to look forward to. I hope you will all join with me in expressing deep gratitude to the many hard workers of our Management Committee, our Coaches, and our Managers, who put many hours into their respective jobs to enable your children to gain the greatest benefit out of being a Gynea "Giant".

With a special thankyou to our Grading and Coaching panel for a job well done. I must also thank our many sponsors, who with their generosity, lighten the financial burden considerably. Please help them to help us by using their services.

In closing I hope you all enjoy the change in format of our Presentation and Gala/Picnic day this year and I look forward to seeing you all again next year.

Yours Sincerely

ROB GLASS

SOCIAL REPORT FOR 1988.

A good year was had on the social scene both financially & with the reaction from supporters who attended the Rock & Roll night and End of season Cabaret. Many hidden talents were uncovered at the Rock & Roll night, with everyone getting into the spirit of the evening with their Rock & Roll gear, and "singing & dancing".....

The end of season Cabaret was also enjoyed from all reports by the many supporters who attended this night.

Our other fund raising activity was the Big Raffle, with the winner receiving a \$500.00 open order at Grace Bros.

Our winner this year was Mrs S. Hames. Ticket no: 4579

sold by W. Hames from the 11D team.

CONGATULATIONS.

Many thanks to all the people who supported the social scene this year and to Splinters Restaurant for their donations of Dinner for Two (4 lots), which helps raise money for our club with raffles.....

Hope you have enjoyed your season this year and we look forward to seeing you next year.

Lastly, as this will be my last social report after several years, I would like to take this opportunity to thank the many people who have assisted me over the years on the social scene and to wish every success to your new Social Secretary, Mr. Peter Orrell, who I know has some good ideas for your entertainment & fund raising in the future, I am sure that all the Giants will support him. Good luck Peter and many thanks again to all.

SEE YOU ON THE SIDE-LINE

MAUREEN HIBBINS

Social Secretary

CANTEEN REPORT 1988.

I would like to take this opportunity to thank everyone who made the 1988 season yet another success.

On most occasions we had a great roundup of parents on Saturdays and a "renewed" and usually enthusiastic response on Sundays.

I would especially like to thank all the supervisors who gave up many weekends time & time again without complaint. Without these ladies this writers job would have been awesome.

Lastly I would like to thank Max Cameron and in particular Matthew Harris who worked so tirelessly all season and who was such a tremendous support to me.

Wishing everyone a very happy summer season.

SUZY HASHAM.

SPECIAL THANKS

The club wishes to thank CLIFF LEWIS PRINTING for the assistance they have given us in producing our printing requirements, and also for the presentation of this year book.

Team: 6 Blue

Coach: Jason Nuell/David Burton Manager: Greg Bell

Players:

MATTHEW McDONOGH	MARK PETERSON	JUSTIN McLELLAND
ANDREW HUGHES	OWEN JOHNSTON	RYAN CLARK
JOSHUA SWINFELD	AARON VATNER	DAVID BELL

After a slow start the team showed a significant improvement in teamwork and ball skills by the end of the season. We had two players break their arms and miss a number of games through the season. The boys all showed a willingness to learn, and at no stage in any game gave up. Good defensive team who were not afraid to tackle.

Special mention must be made of the coaches, Jason Nuell & David Burton, who put so much effort into their coaching. The boys improvements in teamwork and ball skills are a direct result of their efforts.

Team: 6 Green

MARK PEREIRA	NATHAN BOURIS	MATTHEW RICHARDS

Like most coaches the soccer season seemed to come and go far too quickly, finishing just as we were getting into full stride. Thanks must go to the boys for a very enjoyable season. Seeing your soccer skills, sportsmanship and enthusiasm develop week by week was a great credit to all of you. At the start of the season having fun while playing soccer was our main aim and we certainly achieved this, win loose or draw. With Mark, Clinton, Nathan & Blake up front we had a very formidable front line. In the centre we had Matthew R, David & Ken all doing a fine job getting the ball to our strikers. If any balls did get through, we had a full back with a big kick in Matthew C. In goals we had Timothy, who was always on the ball. Thanks must also go to the parents for their support and help when I was unable to make training. Lindy, our manager, deserves a special thanks for keeping everything running smoothly, filling in match reports etc. Good luck on any future sporting activities you may undertake, I am sure your future coaches will be as proud of you as I am.

The boys finished the season as a team being able to tack & play between themselves, but not pass the ball during a game. They improved in all aspects of the game, the most striking improvement being their ability to try for goals, & their wanting to win. Well done team. Well done coach.

Team: 7 Blue

Not too bad a year for the boys, considering we started the season with eight players, only to be left with the bare seven half way through the season. The boys played some excellent soccer, & certainly tried their best, giving the opposition all they had. Due to the flu epidemic near the end of the season, the last few games saw us with only five players, who really played their hearts out, displaying good sportsmanship & determination. There are some outstanding players in the 7's who should go a long way in achieving top marks next year. A special mention to Mark Mountain, who stepped in at the last minute as our Manager for the season, many thanks. Also to the Coach, thanks must go, for his time & effort. Not forgetting the Parents who gave their support, many thanks.

After a slow start we really started to excel towards the final games. Our never say die attitude won us many matches. Everyone must have improved 100% It was a great pleasure coaching you and a special thanks must go to manager Joanne Whiteman, who made sure we always had oranges and news sheets. We hope that you'll all play again nest year.

A season that promised so much yet failed to deliver so often. To say that we were a team without luck was truthful, although a good side makes its own luck. Throughout the year the main problem was getting the little round ball into the net at the other end. Our defence was sound, especially towards the end of the season when we threw a scare into three of the semi-finalists and indeed there was only one bad loss to a champion team. Our only problem was in front of the goal which showed with the equal leading scorer being the centre forward from the 8C1s, who notched 2 in his only appearance for the side. Due to injury I was unable to be as active at coaching as I would have liked, and would like to thank Allan Price & Peter Collins for their assistance through the season. However, the boys showed true Gynea Grit and at no stage did they ever give in, battling every game out to the end. The highlight of the season was making the semi-final of the Marton K.O. Cup with the help of four players from the C1's. In conclusion, thank you to all the supporters who remained loyal and gave the boys the encouragement that they needed. SEE YOU ALL AGAIN NEXT YEAR IN THE WINNERS CIRCLE.

The team had a wonderful season and was unlucky not to qualify for the grand final. We drew the final against St. Patricks, but unfortunately they were one point ahead of us on the table. The team can be justly proud of their efforts and always showed plenty of courage and spirit. The boys had the best defensive record in the competition and they also showed plenty of skill in attack. As the season progressed all the players improved their ball skills and positional play. (sometimes forgotten!) After the poor start to the season the boys learnt to play together as a team and many wins came our way.
CONGRATULATIONS ON A GREAT EFFORT BOYS.

Players:

PAUL ANTHONY	GREG BRADBURY	ROMOLO DIGIULIO
SCOTT DRUERY	IAN HACKER	TODD McLEAN
MICHAEL WERNEJ		

The first part of the season saw all the boys chasing the ball where ever it was, but they soon worked out it was easier to use their heads and save their legs by holding their position. Greg showed us some very fancy foot-work, while Todd & Paul showed improvement in forward positions. Scott & Michael really showed their talents as fullbacks, while Ian & Rom worked well in any position. Romolo also did a great job in goals. The boys just kept getting better as the season went on, I'm sure their ready for eleven a side and the big field next year. GOOD LUCK BOYS.
P.S. Many thanks to John Wernej for the job he's done with our young men.

By coming first in the comp. it is obvious the boys combined well. Early in the season the boys were happy to do a lot of dribbling with the ball & weren't aware of positional play etc. Determination was always apparent throughout the year. Eventually, & to the boys satisfaction they combined with each other, & with this & some clever individual play, as well as just getting on so well together, they achieved minor premiership & Grand final awards.

The 8G's had a good season in 1988. From the start of the season they showed the ability to pass the ball freely, & to work as a team. They just got pipped for the Minor Premiership, & finished third after some exciting matches at the end of the season. Full credit to all the boys for the way they concentrated at training, developing skills, & playing in a determined & sportsmanlike manner.

ROBERTO	MALIVINDI	CHRISTOPHER	MACNAMARA	JOSEPH	ZINNATO
BEN	RICHARDSON	SPYROS	MARAZIOS		

The 9A's had a very mixed season, the first half of which saw them beaten by some very high scores. However, the building of teamwork which occurred in the first half of the season, paid dividends in the second round, where a dramatic improvement was seen. Congratulations boys on receiving the "Most Improved" award from the Association, well done!

I would like to thank Chris Bostock for training the boys & improving their skills. Thank you also to Trevor Ashton, who coached on the field for many of the matches. All the boys played in the true GIANT spirit, & never gave up trying. They moved around in positions & all had a turn in goals, with Lucas & Michael proving to be our best keepers. Backs, Paul R, Andrew & Spyros, were always very solid, while midfield players Christopher, Ben, Roberto & Joseph were very supportive. Forwards, Lucas, Paul H, David & Michael, never gave up the attack. The boys enjoyed their soccer & can look forward to a successful season next year. The Parents gave excellent support during the season, & the Manager thanks you all.

We didn't have a great deal of success in getting the ball into the net this year, but the boys did develop quite a good defensive game, and against most of the better teams we only lost by 1 or 2 goals. To their credit they maintained a strong positive attitude all season long, and gave their very best efforts - even when we were one or two boys short. To me, this simply suggests that they "simply enjoyed playing soccer together"! and surely that is one of the most important aspects of the game at this age.

ADRIAN WONG		

The season started well considering that most of the boys had never played in the under 9's before. We had a good season together and the team actually began to play as a team, which was a good sign. It was unlucky that we didn't do better. KEEP IT TOGETHER GUYS, YOU'LL DO WELL.

A special thanks to Ross Hawley for managing, Ian Ross for taking care of the bucket and to all the parents for all their help.

Even though we finished at the bottom of the table, I don't think there was much between any of the teams. If you remember our last game, Marton, who won the comp, was very lucky to draw with us. So all goes well for next year, especially if the boys stay together. I know it's been disappointing losing, but it's a big gap between you & the "B" side, so give it one more go, for yourselves.

If success in soccer is measured by wins, then we had a terrible year. However, if soccer is about learning and enjoyment, then this great team of players excelled. This was shown by their attitude on and off the field and their attendance and interest at training each week.

The records will show - won two, drew three and lost lots, but each week, their heads were held high because the boys always gave 100% effort. Throughout the season they continued to learn and improve, and were always enthusiastic in their approach to the game.

The team was very fortunate to have an energetic manager who organised, supported & co-ordinated us throughout the season. It was an enjoyable experience to have been associated with such a fine group of parents. All the boys played in the true "GIANT" spirit and were a credit to the club, their parents, and most importantly, to themselves.

What a great season! We finished just out of the final four and next year we will make it.

The enthusiasm of the players was maintained throughout the season, both during the glorious victories as well as the not so glorious moments. From a group of individual players at the beginning of the year evolved a very spirited and capable team, who really enjoyed their soccer at training as well as in the matches.

WELL DONE BOYS! It was a pleasure to be associated with such a fine group of young lads. THANKS go to coach Frank Tierney for his splendid efforts and to the parents for their cheerful and unstinting support at all times.

Well, 1988 was a year enjoyed by the boys, parents & coach. The playing standard increased as the year progressed, which was very satisfying to those who observed the matches from week to week.

The start of the season was slow due to our inability to field a consistent side from one match to the next, but once this situation was sorted out, things started to go right. Players in their correct positions settled down and we started to be competitive with the high fliers, two draws with Lilli Pilli (the premiers) and two wins over Sylvania (third placed) give an indication of our ability.

From the front to the back, players improved, Blake, Josh, Steph & Keirin were strong defenders, Steve, Dom, Trent & Chris won their share of ball in the middle, while Daniel, Ben, Murray & Tony proved effective up front (especially as the year progressed)

Next season holds lots of promise, let's see all the boys back next year, the same great support from parents who provide the cheering brigade (Kerry Chatto has the loudest voice) and continued improvement should see us through to a semi-final berth.

An outstanding season for players & parents, one in which the spirit of co-operation was very evident. It was a team in the true sense of the word, the boys all supporting each other both on and off the field. There was no star performances, just unselfish soccer, excellent spectator material. We led for much of the season but were beaten in the semis (finishing fourth) on a wind-swept dust-bowl oval reminiscent of Arabia. A special mention to our cheer squad (the parents) whose support was thoroughly appreciated.

PETER	GRASSMAYR	JAMES	MADSEN	CRAIG	VIAL

These boys showed they had plenty to prove. Unfortunately their incorrect grading, regrading, & finally the system prevented a finals appearance. They are a good bunch of guys who played like a "team" all year, & supported each other well. Good luck for the future, & hopefully a more successful 1989. Thanks also to the support showed by the Parents to both the team, & to Mark & I. For the record, we scored 42 goals, with 14 against, & lost only six games. Top scorers were, Matthew Hames (5), Cameron Blacker (6), & Aaron McKinnon (15).

What a season! Twenty one games, twelve wins, seven losses, two draws, & undefeated on our home ground. In the final analysis, runners up. A great effort by Coach & Team. We got through the first round undefeated - losing to St Pats on June 26th - by which time we were well into the second round. The second round was less auspicious - four losses out of nine games - it looked like we were on the skids. Luck also seemed to be pitted against us, as round three consisted of only four matches with us playing the top two teams, & the other rival for second position playing the bottom teams. Luck, however, had not deserted us, playing some determined & spectacular football, the boys played the four matches scoring ten goals, & conceding only two. Second spot, however, seemed just out of reach. We were equal on points with Engadine Eagles before the last game, & were due to meet Sylvania who had been beaten only twice during the season. Engadine Eagles on the other hand, were to meet Menai 2, who were yet to win a game. Engadine won 5-1, & we defeated Sylvania 1-0, resulting in Engadine & ourselves finishing on 24 points. The rules provide for the team with the best goal difference to take the higher spot on the table, we both had the same difference, 22 goals. The rules further provide that in this situation, the team scoring the greater number of goals assumes the higher position, we had scored two more goals than Engadine. What a dramatic way to win second place. The first semi saw us defeated by Sylvania 2-1 forcing us to play nemesis - St Pats - the only team we had not managed to beat all season. Our tactics on this occasion, however, were too good. Jason Munro & Matthew Hartley shut out their damage maker, & we went home the victors by two goals to nil. Nail-biting grand final. Plenty of support, including the mascot, Clancey. In the ultimate a game of two halves, (aren't they all?). We out-played them in the first half, hit the bar on two occasions, & David Ward very nearly scored. In the second half we fell asleep, let in a goal, & then they closed the game up. Defeated in the grand final, our lads were not disgraced. A mighty effort by a team which has come a long way over the season. Well done 12B's. Not just for the good performance & finishing runners up, but more importantly for the progress made during the season, in terms of teamwork, dedication & discipline. We hope for even better things in 1989. And what of the efficacious, efficient, effusive & effulgent coach - Michael Ward. Well, he loves big words, & no one word is BIG enough for him. Let's just settle for some of his finer qualities, arranged in abecedarian order: Aberrant, abhorrent, abominable, abrasive, abusive.... OOPS! WRONG LIST! Abounding, accommodating, accomplished, aquiescent, adamant; not to mention, delphnoid but most certainly not pusillanimous. In other words: GOODONYA MATE!

WELL _ WHAT A YEAR! The new "year of birth" rules certainly created an interesting team. Plenty of strikers, some midfielders, a couple of fullbacks and definately no goalkeepers. The team was fairly competitive throughout the season with the boys playing some very good soccer. We had our share of serious injuries which did not help our cause and my sympathy goes to other teams who were in the same situation. My thanks goes to the boys' parents, in particular Mrs Brunton and Mrs Ward, for their support and help throughout the year - Well Done. Also, a big thankyou to the teams from which we borrowed players throughout the season. SEE YA NEXT YEAR.

UNLUCKY is the best word to describe the '88 season for the 13C's, because on at least four occasions the two points were lost in the very last minute. It reminds me of the year of '86. I think our backs & midfield were the better part of the team with our frontline lacking a consistant goal scorer. Thanks to the boys who never stopped trying for the full 60 minutes of soccer, to the coach Gerry Buckley, to Denis Hawke for helping the coach & manager on many occasions & to the parents for helping out in the canteen & ground control on both occasions, particularly my wife for supporting me for another season. I hope to see hou next year.

If heart and a never say die attitude was enough to win games, the 14C's were minor premiers, loosing only 2 games and with perhaps a couple of draws. Unfortunately it also takes goals to win matches and with this in mind they finished 6th out of 7, beating the last team 3 times and drawing with the early competition leaders.

The boys can be proud of their efforts during the season and did not let the club, their parents or themselves down with their attitude to the game. Opposition management often commented in the second half of the competition on the improvement the boys showed and how they wished their sides would work together as Gynea did. Stephen Clowes & Andrew McLeod shared the goal-keeping duties and pulled off many great saves and were generally sound. Adam Markey controlled our defence well and as the only "boot" in the team was responsible for goal kicks, corner kicks and our only penalty of the season. His goal from a free kick wide out near the sideline was a gem. Adam was supported well by Trent Duvall at sweeper, his cover was good and he brought off some great slide tackles to break dangerous attacks. Mark Yong at right back used his long legs to consistently run down the opposition while the much shorter Trent McLean at left back hounded the opposition like a sheepdog and had no fear of size. The midfield of Mark Goller, Brett Madsen and Brook Pomroy showed great heart against faster opposition and never stopped chasing the ball. Chris Malone at centre forward showed he was capable of making long breaks up the centre but too often failed to finish off the good lead up work. The wingers were a contrast with Jeff Callender havong heaps of speed and chasing the ball all day while Craig Dennis hassled his way through opponents and was able to feed his inside men with neat passes. Congratulations boys on playing the game as it should be, to the best of your ability.

With a new and exciting coaching/management team just about signed, and early season fitness runs available, the prospects of a great 1989 season are high.

Funny season, some brilliant football, some rubbish. Beat (or come close to) all teams finishing above with the exception of G.R. and got beaten by bottom teams. The transition of age limits proved to much in size but not in skills, we were the most skilful team in the comp. but got runover by some players that certainly ate their porridge. Everybody tried and thats important, played as a team once we settled down.(A coaches wish- if only we played as well as we talked about A) GIRLS. B) BIRDS. C) GIRLS. D) GIRLS.

We didn't get a good start to the season being graded in the 15B's. Our first game was a disaster being beaten 14-0, but after being regraded to C's things looked bright. It was a long hard struggle to end up in a playoff for fourth spot. Unfortunately things did not go our way in this playoff losing 3-1. However, considering 10 of our players were eligible to play U/14's, it has been a great effort by all involved and I hope to see you all next year. A personal thankyou to the boys for a good enjoyable season. To the parents & supporters for being there, also to our sponsor GARY FLYNN SMASH REPAIRS, & to Gary Flynn himself for being the best manager around.

This was certainly the beginning of a new era:- playing up a year and 45 mins each way. However, the boys gave it their best. They were a credit to the club, recording 3 wins, 1 draw, and scoring 21 goals even though on many occasions they played short or borrowed players.

The highlight of the season was the last game against Como (3rd) which we won 3-0. A special thankyou to Terry our coach, and to all the dads who did a great job each week with the bucket and orange duty. The support from the parents with ground control, canteen and social functions was greatly appreciated. It was a pleasure to be associated with the JOLLY GREEN GIANTS of the 17A's.

Not a fruitful season as far as winning matches is concerned - but a season of blooding & learning for all members in U/19 competition, nearly all players were eligible for U/17 teams - the improvement shown as the season progressed was due to their determination & team spirit which oozed each game. A happy season was had by all and sundry, and as manager I can only look forward to another season with a great bunch of guys who will do Gynea proud in the 1989 U/19 competition. WELL DONE FELLAS.

A good season with a lot of good hard fought wins. It would have helped to get the whole squad at training, however that was not to be. A special thanks to all our supporters, even the one who came to training. The team showed consistent enthusiasm and commitment, both on and off the field, and this coupled with their abilities make them one of the easiest most enjoyable teams to coach.

Although we were struggling for numbers, we ended up with 18 players of which 11 were newcomers to the club. The players were calling each other by their numbers at the beginning but the harmony was quickly established & continued until the season ended. A mixture of some of our loyal Gynea players & newcomers have worn Gynea colours proudly each week & put up very good fights against the opposition.

During the season our team not only established a good relationship amongst themselves but also amongst other teams, club members & supporters. On their behalf I would like to thank the people who assisted & supported us during the season, although without a win we didn't disgrace ourselves and there were two things we didn't have on our side-----LUCK & A STRIKER.

It was a pleasure to be in charge, and special thanks to our manager who has done an excellent job. I hope to see you all next season.

This team is one of the most harmonious I've been associated with. With all players putting 100% and playing it hard every week. We just missed out on the semis and I think we can go on better next year.

We finally did it... Played Hard, Done Good!

Being Australias Bicentennial, the aim of the team this year was to achieve a big win and approach the government for a Grant towards the end of season frolic (everyone else got one). Perhaps the grant will fail, but the aim was achieved. A PREMIERSHIP!

To some it may be a shock, but for all in the team and for those who have followed us this year and in past years, it was definitely earned.

The year started a little slowly, but momentum grew steadily. From the first game, a 5-0 loss, until the final, a 0-0 draw, I think all concerned enjoyed themselves. It was a season full of laughs. One funny moment was in the game against Heathcote (the bottom side) at home. A number of players had come straight from a Change of Sex party and were still wearing make-up and nail polish. Heathcote couldn't understand why we wouldn't shake hands at the start. By the way, Heathcote received their first points that day.

The team thanks John O'Brien (LJ) for being the manager this year. Persistence finally paid off, with LJ receiving his first trophy in 20 years of soccer. Now, he can put his trophy on the mantle piece beside his wives. Donna has two trophies... and she only played soccer for two years (Well done LJ).

Also, the effort that Ross (they call me late) Giles put in this year. Ross set a record in turning up to training only twice during the season and being late to every second match.

John (Prettyboy) Nelson was one of our success stories this year. Being able to purchase his contract from British Telecom for virtually peanuts, John found himself back in the sweeping position. Johns on field displays were only matched with his off field whinging about how old he's getting.

John (Barrel) Fraser had retired at the end of last season but was enticed back, after a 'Round or Two' of delicate negotiations. After only three matches as a spectator on the sideline, Barrel was offered the chance to wear funny sized shorts and a contract that enabled him to drink more beer. Not jumping in too quickly it took him almost three minutes to decide... the rest is history (Hic).

Stephen Thomas, or Thommo, astounded and baffled both the opposition and his own team with his consistent accuracy in passing the ball to players on the opposing side. All was corrected when Thommo finally got contact lenses.

Sean (Super-sub) Beck was another player who joined the team after a short absence. Sean played well once he got onto the field, however, getting him off on occasions was a different matter. Sean fainted in the middle of one match and had to be carried off. Fortunately we had a lot of supporters there that day. Sean congrats on your engagement to Melisa.

Our own version of Cosmonauts, in Graeme (the White Opal) Anderson, Neil Massingham and Mark Allen, lived up to their reputations throughout the year. All had excellent results this season. It seems that their meetings before the games to discuss tactics worked. The Opal had a blinder of a season up front and when joined by Neil late in the season formed a fearsome combination. Mark received the Coaches Award for Most Improved in 1988.

Terry and Trevor Van Dyk (The Vanda-Booze Brothers). Terry who captained the side this year was a great FATHER figure to us all. Leading by example, even with injury, Terry was inspirational to the rest of the team. There was not one send off this year, which was an amazing record considering the teams past, and how we hate to argue with referees. However, Trevor did create a new Team (possibly association) record in that he received a Yellow Card just two and a half minutes after coming on as a substitute.

Greg Davidson (Davo) was our Goal-keeper and Vice-captain this year. Davo only conceded Five Goals in the entire second round and was man of the match in the grand final. Greg thanks for a great season and thanks for your support when we had ground control.

Sean (so that's his name) Fox, or Foxy as he was known, was another new recruit this year. Foxy fitted in well... especially when it came to parties and drinking sessions. Keep up the good work and we'll see you next season.

Brad Wright (Lefty) decided against retirement this season to show us all his skills. (Skills to Burn...Great Potential...so he kept telling us). It's a pity that he is again mentioning retirement as we will never know how good he was (I'm sure he'll keep telling us regardless). If someone got hurt at training it was always Brad (Bloody boots).

Andrew Davies or Roo as he was known won our Best and Fairest award this year. Roo always gave 110% effort in every game and at training. Roo if there are any more like you out there, bring them along next season. Well done from the rest of the team.

Finally, Todd Sinclair, (Our Coach). I can remember Todds words at the start of the season... "Let's get out there and give it our best". That was at the start of the first game, and we lost 5-0. I can remember the look on his face at the end of that performance, he wasn't very happy and he told us so at the following training session. In between that game and the final, Todd abused us on many occasions. At training, out in the cold, he would abuse us for not training hard enough (come on two more laps). After games that we had lost, he would abuse for not playing to our ability (that was S...). So, in the end, we had to make him happy just to get him off our backs.... as Terry said at the start of the Grand Final "Lets do it for Todd". And we did. Thanks Todd, from all the Team.

As someone once said, its been a long time between drinks. (maybe not beers) but definitely in grand final wins for a lot of the team. For some its their first grand final win in over 20 yrs of playing, while for others its been a 12 yr wait. But whatever, lets hope the interval to the next final win is no where near as long.

Following back to back premierships in '85 & '86 & finishing fourth in '87, the team was under pressure to succeed in '88. We signed three new players in midfield wizard Mark Cupitt, goal keeping maestro Jim Keating & flying winger Rocket Rod Turner. We started the season slowly & seemed to be languishing with the also-rans for most of the season, until the Super-Coach introduced tackle rugby league for training. Attendances for training skyrocketed from 3 or 4 to 11 or 12. Nobody could explain its success, but thumping the hell out of so-called mates was suggested. We came home with seven wins on the trot to force a play-off for fourth, only to tire in the second half of the game, losing to Menai 2-0. An entertaining season that had many fine moments to note just a few:-

1. The absence of Paul Darling.
2. The team sponsoring a certain fullbacks auto repair empire, only to be returned with " No Frills" tracksuits.
3. Our end of season trip to the Mountains starring Rod "Bubbles" Turner & Ellery "You've got to get onto the Motorway" Hanley.

Thanks to a great bunch of guys & supporters for an enjoyable year. I mean that, I mean that hard.

The brilliant start to the season was not pursued. Either it came too easily or the after effects of the many 21st celebrations took their toll. However, with a soupcent of dedication and a dash more commitment, the desire to win could be satisfied again. BETTER LUCK NEXT SEASON.

A season that started slowly, promised so much in middle and fizzled at the end. Commitment by some was magnificent, by others, well.....!
At one stage we had too many players which created unnecessary problems and tensions. By the end of the season, we were struggling to field a team. Certainly a season in which we did not fulfill our true potential but we had some good times and there was always the clubhouse to celebrate or whatever. After so many years playing soccer, we all know that 'There's always next year!'.....so see you on the sideline.

The 1988 season was an up and down one, with good wins and some unlucky losses in the last few minutes of the games.

After 2 Premierships & Runners up in the past 3 years, it was hard to adjust to not being there in the finals. We did loose some very good players this season, BUT we picked up new guys, who fitted in well and played great games. With 15 guys, sometimes it was hard to field a team, due to shift workers, injuries, and also guys who were off being married, christenings and some of our guys becoming Dads. Congratulations to them ALL!!!!

Best of all our thanks to the players girlfriends, wives, mothers, sisters, that supported them every weekend, regardless of the weather, and shouting encouragement when they were down. WELL DONE - LADIES.

Looking forward to the 1989 season being a TOP ONE, with the "Premiership" in mind.

Another year older but inspired by being premiers in the inaugural year, they re-assembled at the clubhouse, everyone agreed it would be tougher than last year and extra training would be needed. George decided training was too hard so took the wimps way out and broke his leg at the first trial. Everyone else buckled down under the eagle eye of Michael Ward and we were off. The standard was higher, the competition younger, but at the end of the season we were third place (same as last year), won the semi and had to play Engadine in the final. A good game we could have won, 1-0 up at half-time and we had missed a couple of good chances, they run good/played strong in the second-half, took both their chances and we were down.

Next year hopefully two teams, training is starting earlier/going later (how much later than 2.30AM can you go) and with the spirit(s) we have we will win both comps'.
