PRESIDENTS REPORT

It is an honour to present to you, the members, my final report, as President of our great Club.

Many thanks to all the past and present committee members of the last thirteen years, who have made my position as your President enjoyable and easier for the efficient way you have carried out your respective positions plus the many hours you have unselfishly given.

Also a big "thanks" to you all, past and present members, players, coaches, managers and supporters, who have filled my past thirteen years with many fond memories, in particular the young players whom I have watched grow, from unsteady, unsure, but always eager young beginners not only in the great game of soccer, but in the greater game of life.

To see many of these, now successful in their chosen field of business and personal achievements, fills me with great pride, for I feel that our club, and the guidance we have given over the years, has contributed in many ways to their development.

I believe I can assure you that your new president, Tony Bell, and his committee will continue on this tradition and I wish them all the very best for the 1990 season.

See you on the sideline

ROB GLASS

I would like a dollar for every time the words "wet," "rain," or "oval out" appears in this year book, but I just had to say them too!! Who counts sheep to get to sleep on Friday night? Try counting pies and sausage rolls!! It does wonders for insomnia - not to mention your indigestion.

I'd like to thank all the teams who helped out this season - most especially the nursery teams who seemed to be rostered on every time they played at home. Thanks for not complaining too much. Congratulations and thanks to Wayne, who did a terrific job in Ground Control and was always there to support me.

To the Canteen supervisors - (what friends!) - thanks just aren't enough, girls.

Lastly, a GIANT thank you to Jan Dennis, who is taking on this TERRIFIC job next year. You have all our support, Jan.

Congratulations boys on a fine season. Even the rain did not dampen their enthusiasm. These boys have at the young age of 6 what a coach dreams of:- enthusiasm, ball skills, willingness to learn and above all sportsmanship. From the back of the team the two full backs, Scott Moyle and Dane always moving to any ball that got through and both with big kicks and good anticipation to the middle of the field. We had Joshua, Mark, Martin, Bradley & Peter always chasing & harassing the opposition and then sending the ball forward to our strikers, unselfishly. There we had Scott Baker & Blake. What a pair, you knew when these boys got clear a good goal was on the way. As a whole a very well balanced side.

To Lindy, thanks again, for a job well done Peter Kennedy for his help organising the boys and helping when I was unable to attend. To the Parents for their co-operation throughout the season, but a very special thanks goes to the boys, from training paddock to playing field you responded with sportmanship and good behaviour. A prouder coach you could not find when this team walk on or off the field.
WELL DONE BOYS.

Well! What an enjoyable year, I'm sure that everyone will be pleased with our boys first year in soccer. I think what I have enjoyed most was watching the improvement in the way the team played. Some of the boys took a bit longer than others to pick up the basics of the game, but once they did, there has been no stopping them.

I would like to thank Luke & Michael who have done a wonderful job coaching the team and bringing out the best in them, they showed that you don't have to yell & scream to have control over a group of runaway 6 year olds. A last word about the parents. I think that because you have all been behind the boys and showed support and not criticism that has made the year so enjoyable for me.

The team, under the coaching expertise of David Burton, improved their technical skills each week to an extent that I believe they will be a major threat to all opposing sides next year.

The highlight of the season was a 1-0 victory over Menai who had previously not lost a match over the last few years.

The boys played each match with immense dedication and a very healthy sporting attitude. I am looking forward to their continued development in the years ahead.

A good performance from the boys if you take into consideration that the opposition fielded a team of experienced 7 year olds. With only a few players with experience and lack of fitness the boys did us and their parents proud. At the beginning of the season the boys learnt to play with other boys, but they quickly adapted and played like a team of soccer players. As the season passed on, the boys started to pass the ball around. Good attacking play by the forwards (Tim, Sean, Gavin, Mark, Andrew & Dale) and great defending by Todd, Mathew & Andrew H. The keeping job was filled by two top quality goalkeepers in Sean & Gavin. Well done boys. Thankyou to Janet Cross for putting up with the mob and us.

Our boys & parents certainly enjoyed the season. The season was obviously marred by the wet weather which cancelled many games, but more importantly closed our home ground for training. This years 8B team is a team which could go straight to the top of the ladder with proper training - and this is taking nothing away from Fred Keers & myself who stepped in to take over from the former coach. The boys are certainly in the right grade, even though finishing at the bottom of the ladder. The games we lost were only lost by one or two goals. The whole team gave 100% effort in training and all matches.

Well, the season has come to an end, and after a disappointing start to the season with the rain, cancelled games and disrupted training, the boys settled down in the second half of the season to play good constructive soccer.

The team developed a good defensive pattern, however, they still lacked aggression in attack and missed opportunities to score which proved most frustrating for parents and coaches. No one can complain about the effort shown on the field and in the second half of the draw they drew or beat all the top five teams. It was heartening to see improved performances by every member of the side.

Congratulations boys, on a whole-hearted effort and special thanks to coaches, Paul & Darren, for giving up their time to help the boys, and for setting a good example to follow.

This turned out to be quite a good season in spite of the terrible weather conditions early in the year which severely restricted training and saw a number of matches cancelled. Whilst we didn't end up with a lot of wins to our credit we were unlucky in a number of games and the final score could have been very different. All the boys improved their games significantly during the year and enjoyed great team spirit, which was a credit to them and their coach.

Towards the end of the season, this boys and girl team (yes girl) showed the ability to play as a team and score goals. A special mention to Louise Ward who was the first junior female player in the history of the Giants Soccer Club. To start off a season with no training ground available and half a team of first year players was hard, but we were unlucky not to win more games. The team put in a top effort week in and week out. It was my first year of coaching which I have enjoyed tremendously and would like to thank all players and parents for their support and a big THANKYOU to Mr. Peter Brien, our manager, who did a good job all season.

During the season the boys tallied one draw, and overall their defeats against them were quite convincing. Unable to stay in their allotted positions, especially early in the year, and a general lack of strong kicking, were factors that made it hard for a team that was to find out they were in a grade too high. Although the boys were involved in a lot of defending throughout the year, they on numerous occasions showed attack and skill with the ball, unselfish passing and did feel satisfaction after combining with a team mate. All through the year they kept on trying and practising and went out on a positive and happy note with a 1-1 draw in the last match and a very close game the one before. Overall a very determined team with ability and skills that should increase & improve with maturity, practice and hopefully a lower grading. Lets hope for more SUN & less rain boys, next season.

An extremely disrupted season due to the rain made it hard for the boys to get into their stride. It showed in team play that the team may have been graded too high, although after a few games in a row the improvement in all aspects of play became apparent. The team didn't have a great deal of success in scoring goals but at times played strong defensive games to hold better teams to a draw or a loss by a small margin. During the season the boys enjoyed their soccer thanks to the support of their enthusiastic parents, and in particular, the excellent coaching effort by John Wernej throughout the season.

What a great season! - RUNNERS UP - Considering we began the season with five boys who had never played soccer before - eighteen games later we had thirteen wins, four draws, one loss and finished equal first on the table, however the rules provide for the team with the best goal difference to take the higher spot on the table, unfortunately this was our neighbouring team Grays Point. To reflect how even these two top teams were, we drew 1-1 in the first round, won 2-0 in the second round, lost 1-2 in the semi-final and in the grand final drew 0-0 after extra time. Under the circumstances it was disappointing for our boys that the premiership could not be shared, however, again the rules provide that in this situation the team that finished in the higher position on the table is the winner.

From a group of individual players at the beginning of the year evolved a very spirited and capable team who learned that soccer is a team game, to believe in yourself and every player is as good as each other. Our aim was to learn how to play soccer and enjoy soccer, this was achieved by the boys attitude on and off the field and their attendance and interest at training each week.

It was an enjoyable experience to have been associated with such a fine group of parents and club. The team was very fortunate to have an inspirational coach in Anto and overall ALL the boys played in true GIANT spirit and were a credit to their parents, to the club, and most importantly to themselves. Next season holds lots of promise, lets see all the boys back.

A number of the boys had played together in 1988 but with some new faces from lower grades the team was really an unknown quantity. Like many other teams we started off slowly due mainly to the atrocious weather and lack of training facilities. However, under the guidance of our coach, Chris Bostock, the boys started to find their skills and combine into a team, rather than individuals playing a team sport. The result being finishing equal second (third place on goals) with Cronulla Seagulls. We met North Sutherland, whom we had beaten twice during the season, in the semi-finals, but as luck would have it, lost 1-0. However, as stated by Chris after the semi "OK we lost but the important thing is, that this year we have tried to develop your skills, once you achieve those skills, premierships will come."

To the boys, a big THANK YOU for playing the games in the right spirit of sportsmanship and good luck with your soccer in the years ahead. Many thanks to Chris for your astute coaching and encouragement of the boys and to Clinton and Mick for your able assistance.

To a great group of supportive parents, thank you for your patience during what was a trying season of "on again" - "off again", "where are we playing now" soccer.

Finally a special thanks to Club Ground Controller, Wayne Teal, for his big effort during a trying season.

Like everyone else, most of our games were played in rain on heavy grounds. This didn't deter the boys and they actually looked forward to their weekly mudbath. The weather prevented regular training, so it was hard for the coach to develop the skills necessary to perform well as a team. The results for the season were not great, but the boys always enjoyed their soccer and never stopped trying. Everyone improved their individual skills during the year and it was pleasing to see these displayed in the later games. Thanks to all the parents for their support during a trying year and special thanks to Ian Ross for assisting with coaching each week and as Zambuck for the games.
SEE YOU ALL NEXT YEAR.

An outstanding season for all the players. Most of the boys hadn't played together, let alone know what it was like to win games. The first game looked as if it was going to be a long season, but with a few talks, some indoor training, we strung 11 wins, 3 draws & 4 losses together finishing on 25 points & finishing third and as we know we were very unlucky not to finish a bit stronger. Every player should be very proud of himself as everyone tried, played, took their knocks, highs & lows. I hope this is the building of a team that will stay together. They all showed they had a willingness to learn and all their efforts showed to themselves that they can win. Teamwork & team spirit goes a long way. I would like to congratulate the players for all their effort and thank our manager, June Brack.

By any measure this was a very successful season with the team winning both the Minor Premiership and the Premiership.

This result was certainly well deserved and a fitting reward for the dedication and enthusiasm by all the team throughout the year.

For the record, from the 20 games played, there were 16 wins, 2 losses and 2 draws, and in the process the team scored 46 goals and conceded only 4 - a truly magnificent effort.

By the seasons end, the team under the excellent coaching of Geoff Duvall were playing as a very effective unit with a keen forward line, a mobile midfield, rock solid backs and ever reliable keepers. The teamwork, support play and commitment of the Giants made it very difficult for every opposition side.

Sincere thanks go to the players families for their wholehearted backing throughout the season, and to the club members for their generous and greatly appreciated support during the finals. All this contributed to a memorable year for a great group of young sportsmen.

WELL DONE BOYS! You have brought great credit to yourselves and a lot of pleasure to your supporters.

Well we did not quite go all the way, but we certainly had an enjoyable and improved season. After finishing the season in third place and winning our semi-final, we were unlucky to go down 2-1 in a closely fought final. All boys showed considerable improvement. Josh was a tower of strength at sweeper while Murray, Brett, Justin & Stephan were solid defenders, the midfielders, Steve, Dom, Trent & Chris have plenty of talent and always won their share of the ball. Our forwards always played consistently and are now looking for supporting players. Scott was our heaviest scorer (in excess of twenty goals) but Ben & Daniel scored their share. A great effort boys, you can really look forward to next season with confidence.

Hope to see you all in the 1990 season.

Well that was our first year in "A" grade. We looked upon it as being a learning experience, & it certainly was that.

We actually started off pretty well, with a win & a draw & a couple of close results. Then we struck the "real" A grade sides & copped a couple of hidings. Losing builds character & we built heaps on a few occasions. As the season progressed, so did the skills & team work of the boys. We actually defeated one of the top teams towards the end & stretched a couple of others. This group of Giants can hold their heads high. They raised their standard of soccer as the season progressed & never gave up. Thanks must go to the boys coach, Michael Ward, for his tireless efforts in organising training through the "big wet", & astute organising of the boys on field skills.

This football season has been a most enjoyable one for all team members and their supporters. We did not gain a place in the final draw but this is no indication of the effort and good team spirit that was evident amongst the boys at all times, even though the odds were often stacked against them. Thankyou to all the parents for their patience and continued support of the boys, despite the atrocious weather conditions and the many last minute venue changes that were made throughout the season.

Well 1989 turned out to one to remember. A winner for Telecom perhaps, but many frustrations for all involved in sports. We entered another good very even competition. With the guys playing some great football. It seemed our consistency in maintaining our attack that we had most trouble conquering. Another skill to learn. To the great team of guys, our coach, Gerry Buckley, assist. manager, Pam Reid and supportive families. My friends THANK YOU for another enjoyable year with the GIANTS.

We have a very talented team of players, and this showed by some good performances over the competition. We proved we were good enough to reach the semi's, however, luck wasn't with us at all and we were forced to play off for 4th position after a competitor was given back points by an association ruling. It was not our night for winning and Exit Gynea. I enjoyed the teamship and friends I made over the 1989 season and hope all you players, and our supporters did, likewise. We played some great soccer and scored some top goals. I would like to make a renewed effort next year, as I know you've got the "right stuff" to produce the goods and win a premiership for the club. How about making "1990" season, ours.

It wasn't a very successful year but i'm sure most enjoyed it. As we all know it was a hard year with all the rain & most junior teams only got to play on the hallowed ground 2 or 3 times, also being an 8 team comp, we didn't get to play all our games. There were some bright spots during our low spots, but there's always next year and I'm sure most of you will come back. If not, good luck where ever you go.
Thanks for your time.

A reasonable season when you consider we only had 11 players, no training, players getting to know each other, webbed feet etc. Some good football, some ordinary, very little bad, and at the end putting together three good performances in a row. Next year we are up to 17's and hopefully a dry season to improve our skills and fitness.

Inclement weather resulted in a fragmented season for the boys. They were unable to play on their home ground - not once -. They were also denied the benefit of training. Despite the above disadvantages the boys managed to finish equal 5th. Their game was often erratic, unco-ordinated & lacking in enthusiasm - a direct result of the denied training sessions that is their right as registered members of a soccer club. Fortunately the boys and parents accepted that circumstances beyond the reasonable control of the club, prevented the development of the full potential of each player. However it was most gratifying to see the game on 29th July between the boys & Bonnet Bay (who were first in the comp.), each boy gave their all and played exceptionally well-outstanding and the only reason the final score (3-2 to Bonnet Bay) was due to playing one man short.

The boys were courteous to each other, respectful to the referee and exercised personal control at all times. I commend their effort in such an extraordinary season.

Their coach deserves special mention for his skill in promoting team effort. 14/15 year old boys are often lacking in personal control on the field, but Ian was able to encourage all of the boys to learn to play fair.

This was a difficult season in more ways than one, with games few and far between. However, the boys and parents enjoyed what there was of it. Having a new team of boys, and no training, there was little the coach could do to give the team the expert coaching skills that he is so capable of. Not to worry, Terry was a great "Claytons Coach" and we all thank him for his efforts.

We were fortunate this season to have Arne Petersen from Greenland as a team member, and despite the trying conditions (from heat to mud baths), Arne was always smiling. We all hope he will have happy memories of his season with the Gynea Giants. In closing, a sincere thankyou to all the boys and parents for their great support each week(when we did play) in helping out with all the various duties that go with fielding a soccer team. It has been a pleasure to be part of the 17A "GIANTS".

A great season had by all. Some of the play during the season was pretty to watch and some great goals scored. I would like to thank the 19A members for their conduct on and off the field, they were a pleasure to manage and no problem at all. To the boys who bench sat for a good part of the season, I congratulate the manner in which it was taken. I know it is hard to watch and not play.

See you all next season, congratulations one and all.

The A/A 2's had a great year coming in runners-up behind Miranda. Having lost only 5 games all year and 4 of them were against Premiers Miranda, the team showed a great deal of consistency, but many thanks to the players from A/A3's, A/A7's, 19A's, 17A's & 14A's, with some of these players playing under duress.

The only thing that seemed to be against the boys this year was a lack of experience, but I'm sure they would have learnt lots this year which will put them in good stead next year no matter what grade they play. Congratulations boys on a great year & good luck next year and special thanks to Linda Ward, our manager, and Ian Ross, trainer, for a big effort. Special thanks to Luke Jeffree(14A), Adam Thorpe & Mitchell Ottoway(19A) & Steve Boxhall(A/A7).

What a strange year! Most of the season was spent struggling to find eleven players to take the field. I think we only had reserves twice during the season, not a great effort. I can't complain, it did make it easier for us to decide who to keep off ----- NO ONE! Michael Blumor was captain of this illustrious side which brimmed with enthusiasm. Mike was an inspirational leader with a strong desire to win. Paul Darling took on the difficult job of coach and tried to mould this side into a feared attacking unit. Unfortunately, he couldn't quite do this. Darlo's major duties for the year were:-

- (1) Playing a sterling role, "heart attack" style at fullback.
- (2) Forgetting I.D. cards for an important match.
- (3) Telling the manager that he doesn't know what he's talking about.

With all these setbacks and problems we still managed to finish a creditable fifth, after losing a playoff for fourth to Heathcote by 5-2. It was in this game that an absolute miracle took place. Skipper, Mike Blumor, not known for his goal scoring ability, actually put one in the back of the net. This was the first goal Mike has scored for 4 or 5 years. The roar from the sideline was deafening as he scored, you'd have thought we had won the grand final.

I would like to thank the four lads from the A/A7's who helped us out in the playoff, namely, Michael Leitch, Matthew Beslich, Simon O'Brien & Geoff Horth. A special thanks to Mike Leitch, who apart from helping us out twice previously during the year, organised his three players for the semi-final playoff. Mike always gave 200% when playing for us and even outshone everyone in our 3-3 draw with Como in the first round. We should have bought him drinks after the playoff, but unfortunately, he pulled off a \$40 jackpot at the bowling club and was silly enough to tell everyone!.

Here are the player profiles:-

MURRAY HOLMES (BUZZY): Murray played in goals this year and really took command of the back line, known for his early nights(sorry fella's I've gotta work in the morning), Buzzy made some remarkable saves and enjoyed not having to exert himself. Loves to ski.

PAUL DARLING (DARLO): Already described in detail, Darlo's attributes earlier in this report. Also loves to ski.

JAMES KEATING(JIMMY): Rock solid as one of our centre backs, Jimmy never took a backward step, even in one game telling the referee how the offside rule works and telling another club referee he was no b_____ good.

GRANT BOWMAN(BOZO): Not one of Bo's better seasons. He was troubled by injury and romance throughout the year. Still regarded as one of the safest and fastest backs in the team. Also loves to ski.

GRANT EDWARDS(TED): This fiery left-back really enjoyed his soccer. Never has a man put 500% into a game or a fight. Ted loved to stir his opponents, and during one match, really gave it to them. It meant a trip to the judiciary, but Ted took his lawyer with him(Paul Darling Q.C.) and subsequently was exonerated. Ted won our encouragement award.

ALLAN SLINGSBY(JABBA): Mr Perpetual Motion this man was known as, when he got onto the field. Jabba really fretted, when after arriving back from New Zealand, realized he might not play another game, but thanks to Heathcote & Sylvania he did get to have a playoff.

PAUL DAMKJAER(no nickname): This was Paul's first season with us and I think he enjoyed himself. Showed promise early, but a knee injury halfway through the season made him just that bit tentative.

PETER ROSSITER(PICKLES): I think everyone would first ask Pete how Queensland was! Poor Pickles was stranded ther due to the airline dispute and didn't make it back for the last game. A fine midfielder with an excellant tackling technique.

MICHAEL BLUMOR(SKIPPER): The season ended well for this burdened campaigner with a goal in his final game. Luckily he put it in the right net, because he had threatened to put it in ours if we had gone to extra time. All in all, a dedicated player.

MARK BONHOTE(JOHN BOY): A stylish right winger, John Boy had a fine season, his best effort banging in two great goals against Sylvania for us to win 4-2. This man hardly ever left his "sunnies" behind when coming to a game. A lot of the guys wondered how he could play a full game in that condition. Well he couldn't!

GARTH PETTIT(FEZ,GURU): Mostly a part time player for us this year, but the Guru seemed to entertain when he did make an appearance. His seemingly brave and calm outlook, when he thought he had broken his leg against Georges River, typified his spittit and dedication. It was only later, when the manager accompanied him to hospital, that an x-ray and a doctor, who couldn't stop laughing, proved that no break was apparent. But we spent a good hour and a half reminiscing eh Fez? B_____ HOSPITALS!

BRUCE GRIGG(GOOSE): Due to work committments, Bruce was unfortunately (or was that fortunately?) unable to attend many games. He had to travel from Melbourne each time and that was a hard slog, but he still managed to score a few goals and wreck a few bars when he was up here. GOOD ONE GOOSE!

ROD TURNER(BUBBLES): Another fiery character who loved to bridle the opposition. Also his dislike for referees showed through in a couple of displays for the A/A4's. He showed though, that he could try and quiten things down. "There's no need for that!" he was heard to say, but fifteen minutes later picked up the ball, after a miraculous save from their keeper, and punted it high into the houses overlooking Oyster Bay Oval. SIX POINTS!

JASON MANNELL(VICTA): It is always said that the best should be left till last, and Victa is no exception. He scored no fewer than 30 goals fo the year and was the reason we finished so high. His stick like legs were very deceptive, he could kick off either foot and his ball control and skill were of the highest order. He never seemed to be heavily marked even though his opponents knew what he was capable of. A deserved winner of the Best & Fairest Award.

I am a bit lost for words, probably because there are no words to describe how we play soccer. Bryan had to throw away his coaching manual because it just didn't work on our blokes. We were thrown together at the start of the year and then overgraded, and the results that followed vindicated this. But were very good at the social side of things, doing our best to keep Messers Bond & Eliot millionaires.

Finally, my thanks go to Bryan whose enthusiasm never waned during some atrocious displays, and to Graeme Cunningham, from Gynea Pub, for being our unofficial sponsor and supplying a carton of grog each week which was duly emptied in record time.

See, it wasn't all that bad was it? It only hurt all week, didn't it? & now it's all over! That's ok, we start training soon!

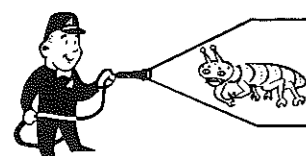

What a great season! We achieved our goal (not goals), had a good time, played some football & had some more good times.

At one stage, about half way through the season, we were very close to the leaders, so not wanting to overburden ourselves, we stopped winning.

We had our characters within the team, but this book does not have enough space to list them all. However we should mention just a couple. Like poor old Birchy "Biffa", having to stop taking penalty shots because with the case of beer fines for a miss, his bank card was overdrawn. And how about Charlie "Crocodile" Rowlands, how many players do you know that within one half of soccer can claim to have played in every position on the field, & then some in between as well. Peter "Peedy" Hayes-Williams, would be just about one of the quickest forwards on the field, & he had to be so, wandering back to have a chat to a fullback, he was usually told to get back up the front. We could go on & on. At the risk of being repetative, we had a good time, played some football, & had more good times, & that was what it was all about. Invitations to play for next season will be sent out.

Last word should go to "Madam Lash". She would have to be "manager of the year". Boy were we organised. Many a late player received a tongue "lashing", & we always had our staminade & oranges & whatever else was needed. Thanks Lashy.

A more detailed "season Profile" will be produced for our "Ladies Night". Thanks for a top year fellas.

An enjoyable season, both on the field and off, for players and supporters. 1989 saw us once again earn our way into the Final, unfortunately on the day it wasn't to be. However, our Fella's can be very proud of their achievements having been in the Finals each year since the 0'35 competition was introduced 3 years ago. Well done.

A great team "spirit" was evident particularly on "Thursday" training nights! and our Sunday soccer days were enjoyed not only by the players but also by our growing band of supporters and thats what it's all about. INJURIES hit our team hard this year and we wish all our wounded warriors a speedy recovery. The team would also like to thank Kevin Price, David Birch and Frank Di Guilio (35B's) for helping out during the Semi's and Final. Also on our thankyou list in "Uncle Harry" who is our favorite "sizzler", Mr "magic hands" Michael Ward also has the team's appreciation for all his assistance. On behalf of Coach "Alf", Captain "Eddy", Vice Captain "Terry", this is your Manager "Mo" wishing all our players and supporters a happy summer season. Thanks for a great 1989 soccer season and we look forward to 1990.

P.S. I'm buying a new "BOOK" !!!!!

SPECTATORS' CODE OF BEHAVIOUR

- Children play organised sports for fun. They are not playing for the entertainment of spectators only, nor are they miniature professionals.
- Applaud good performances and efforts from each team. Congratulate all participants upon their performance regardless of the game's outcome.
- Respect the officials' decision. If there is a disagreement, follow the appropriate procedure in order to question the decision and teach the children to do likewise.
- Never ridicule or scold a child for making a mistake during a competition. Positive comments are motivational.
- Condemn the use of violence in any form, be it by spectators, coaches, officials or players.
- Show respect for your team's opponents. Without them there would be no game.
- Encourage players to follow the rules and the officials' decisions.
- Demonstrate appropriate social behaviour by not using foul language, harassing players, coaches or officials.
