# THE GIANTS

# 1994 YEAR BOOK

# PRESIDENTS REPORT - 1994

It gives me great pleasure in presenting the 1994 Year Book as a memento of your Club's achievements.

This has been another very successful year spoilt only by the death of our long time friend and past President, ROB GLASS, during the first weekend of competition.

ROB is fondly remembered by all who knew him and is sadly missed.

Our No 1 field was back in action this year and as a result all teams were able to play at home for the first time in many years. Improvements to the grounds playing condition along with careful nurturing saw us being granted Finals and Grand Finals for the first time in over a decade.

## THE RESULTS:

15 of a possible 29 competitive teams reached the Semi Finals with 10 teams reaching the Grand Finals. A great effort.

|                |   |  |
|----------------|---|--|
| PREMIERS       | - | 11-E's, 12-A's, 21-A's, AL8's & PL3's  |
| MINOR PREMIERS | - | 12-A's, 13-C's, 19-A's, 21-A's & PL3's |
| RUNNERS UP     | - | 12-D's, 13-A's, 13-C's, 15-B's, 19-A's |
| FINALISTS      | - | 16-B's                                 |
| SEMI FINALISTS | - | 9-D's, 10-E's, AL10's, 35A-1's         |

Congratulations also to the 6-C's who won their division of Caringbah Rangers Gala Day, and to all the Coaches who passed the Level 1 coaching course.

Finally I would like to Thank the many hard workers of our Management Committee, our Coaches and our Team Managers who put many hours into their respective jobs to help the children and Senior players benefit from our great club.

Yours truly,  
RAY DENNIS.

# Canteen Report

Here we are at the end of the 1994 season and it seems like only yesterday that we were all getting prepared for the season, how these months have flown by.

The Canteen has once again gone extremely well this year and it was great to have our No 1 oval back and to see all our teams back home once again. There was a 100% effect from both Junior and Senior teams this year and my many Thanks to you all.

Much appreciation to all the regular supervisors who have helped me out from year to year and also to all the Committee persons, Managers, Players and Mums & Dads who were always there when I needed them.

I would like to take this opportunity to say a BIG GIANT and personal THANK YOU to two ladies, SUZY and JUNE for all their help, guidance and friendship over the past years, it just won't seem the same without you both.

Last but by no means least I would like to say my many THANKS to CRAIG, our Ground Controller, for all his help during the season and I look forward to working with you in the 1995 season.

The loss of ROB, this year hit us all really hard but I feel we all rallied together and got on with our jobs whether it was on the Committee or not as that is what ROB would have wanted us to all do.

JAN DENNIS (CANTEEN SUPERVISOR)

# Ground Control

Well it's been an absolute great year for Gynea with us having two full size ovals that are in great shape, which is why we had Finals and Grand Finals at Gynea for the first in years.

Many Thanks to all those Dads and Mums, who were up there in the early hours to set the ovals up without any fuss or bother.

A BIG THANK YOU to GARY & STEVEN FLYNN for picking up the Line Marking materials throughout the season, without them it would have been very difficult.

THANK YOU to DAVID & PETER, who I could always turn to in times of need.

Congratulations to all those teams who made the Final series.

Hope to see you all next year.

CRAIG TEAL. (GROUND CONTROLLER)

# Giants News Editor

I Would like to Thank everyone for their patience with me throughout the season.

After finally learning how to use a Computer I muddled through. Sorry for any errors that occurred, with bad vision in one eye I sometimes found reading the reports a little difficult, I am also a lousy typist, anyway we got there.

A special Thank you to all the ladies who gave up their time on Fridays to help me put the magazine together, you were great.

Well it's been a great season with teams continually improving out of sight and some even making it to the Finals and Grand Finals, boy this club is really making itself noticed. Next season will be here before we know it.

SHIRLENE McMORDIE.

# Fundraising

The Committee would like to THANK all members who sold Maltesers, M & M's and Snickers during the last 3 weeks of the Competition rounds.

As a result we were able to raise \$3,308 plus collect prizes for all members who sold one or more containers.

In addition we also received 6 Soccer Balls which will be used next season.

MANY THANKS TO YOU ALL.

# Club Sponsors

Our Club Sponsors have contributed significantly to the club to off-set the cost of the Newsheet throughout the season. We are very fortunate to have the support of our Sponsors and the Committee wishes to THANK them on behalf of the Club and hope all members will give them consideration in the future.

It's been a fun year, enjoyed by Boys and Parents.  
All the Boys have learnt The Art Of Sportsman-Ship, Fair Play and knowing Winning isn't everything on the day.

Within their first season the Boys have learnt their Talented positions with forwards DALE, LUKE & SIMON, with halves THOMAS & ADRIAN - full backs PAUL & BROCK and Star Goalie ANDREW.

Special Thanks must go to the Parents for their 100% help and trust in me Coaching their Boys. A special mention must go to RAY DENIS & EILEEN WARD and the COMMITTEE for their constant work with all the Junior Soccer Players.

Hope to see all the Boys and Parents in 1995.  
With THANKS once again,  
Your COACH in 1994 - PETER LAWTON.

The 6-C Soccer Team had a very good season going from strength to strength. If we had been playing in a competition we would have well and truly finished at the top end. All players showed improvement in their individual ball skills and became a lot more aware of and accustomed to the team concept. Most of the Boys started to get a good idea of their positional play. Everyone got on well and the general feeling was one of encouragement.

One of the highlights of the season was the Team winning the GALA DAY knockout at Caringbah, a superb effort!

All in all the 6-C's had a very rewarding year.

This has been a great season for these boys, most of whom were playing for the first time. They have learnt many things not only related to the game but important experiences associated with being part of a team.

They have been coached by two fine young men in MARC LAWRENCE & MATTHEW CLARK who patiently trained and coaxed them into learning skills and other aspects of the game of soccer. As far as the boys in the team are concerned these two quickly became their heroes. Considering the time and care they put into our children there wouldn't be any argument from the Parents.

Individually, the boys really came on as players. After a slow start they were rarely beaten and one of the things they never did was give up!

Congratulations to BROK, JOEL, DANIEL, MATTY N., MATTHEW R., LEON, MICHEAL and JAMES for a very successful and exciting season.

6-I comprised of 9 players, which at times made it difficult for all boys to have full games. Matthew Hamilton was our only player who had played the year before so it was new to the rest of the team. Getting the boys to chase the ball was one of the main obstacles the boys had to overcome but by mid-way through the season the boys had advanced very well and had learnt to play as a team. Parents were very supportive and it was good to see the boys enjoying the game.

Hope to see all the boys try out next year - Matthew Hamilton, Matthew Snowden, Matthew Lehmann, Andrew Barker, Andrew Lee, Russell Smith, Kyle Fifield, Ross Hennesy and Timothy Hart.

It was rewarding!

As Manager of 6-L, it has been a wonderful experience to watch our little team progress from a very inexperienced team, to quite a skilled team. This was due to the great enthusiasm of all of the boys, the Parents and Coach DAVID.

We had great parental support every Saturday, both with getting the boys to the matches and in their own cheer squad. On behalf of the Parents, I would like to say MANY, MANY THANKS to DAVID PARTON, our coach. He has done wonders with our fellows, imparting a lot of soccer skills on our boys. WELL DONE DAVID.

RUSSELL SULLIVAN. (MANAGER)

This year has been my most enjoyable to date as coach the boys all gave me their best efforts at different stages of the season. Each of my little men showed their individual style and special talents.

To the Parents I pass my appreciation and Thanks for understanding my differeny manner and giving me the support that Coaches can only dream of.

To Glen, Mitchell, Nathan, Ryan, Nicholas, Daniel, Alex, Steven & Shaun the boys that made up the mighty GYMEA GIANTS 6-L's, I hope to see you all with the club next year. Thank you for all the fun, I truly hope you enjoyed it as much as I did.

The team had a very enjoyable year and after playing 17 games the statistics are; WON 13, LOST 3 and DREW 1, scoring 49 goals and having 16 against. The Boys showed a marked improvement during the season with a very positive approach to training and their eagerness to learn new skills. They played each week as a team, always in a fair and Sportsman like manner and at the same time having lots of fun.

### The 7c Season Report

Pele in his autobiography "Why I didn't play for Gymea Bay" paid tribute to the tenacity and good spirit of the 7c team. He made special mention of seven boys who always had fun, never got angry, and always put their best into every game. He said that **Ryan Lehmann, Ben Baltins, Matt Stanley, Phillip Egan, Ryan Fifield, Cameron Bates and Ben Coulter** were seven boys he would always include in his best team.

Maradona in his autobiography "Why I should have played for Gymea Bay" said that if he had had a good coach like Gary Stanley he would not have fallen from grace ( too late now, eh!),

Alan Egan in his autobiography "Why Managers Cry" said that the real force behind the 7c team was the parents.

I'll second all those comments.

The team started the year as the 7 E's and inspite of the boys enthusiasm we were no match for the level of competion, winning only one game in the first round.

In the second round we were relegated to the 7 F's and found the competion was more at our level.

A couple of early wins really got the team "fired up" not to mention parents and coach David.

Andrew Whale was our leading goal scorer and showed great determination. He was well supported in attack by Nicholas and Kurt.

Simon and Lynden were our defense and both really played well all year.

Our number one Goalkeeper was Christian and he really made some fine saves during the year.

Our midfield comprised Andrew Connon when he was not giving Christian a break from goalkeeping , and Alex.

The team entered the Knock out competion at Solander Oval at the end of the season and scored wins against higher graded teams before being knocked out by a " B" grade team.

On behalf of the boys and parents our thanks to coach David Connon for his efforts during the season.

We started the year with 2 veteran players (of 1 year) and 6 novices. So I think it fair to say that the boys did very well, under the direction of Coach IAN CROW, who had a big job ahead of him at the beginning of the season. With IAN's coaching and the boys enthusiasm and keenness to learn, both in training and on the field, the boys worked well in forming a team by the end of the season.

Apart from a few bruises (body and ego) the team was injury free.

THANK YOU to RYAN CROW, DAVID EDWARDS, ANDREW LAYDEN, BRETT LAYDEN, SHAUN MCCARTHY, TYSON MCCARTHY, DANIEL NAPPER and DONNIE PENFOLD for being part of the 7-I's in 1994.

THANK YOU to all PARENTS who attended games ans sent the boys to training and I'm sure would join me in THANKING the boys for the fun and entertainment they provided through the season.

I wish the boys every success in their Summer Sports and hope to see you next year.

The Boys started the season slowly but as their skill level improved, so did the results and at the end of the season the Boys were playing some very good Soccer.

Of the Boys, ANTHONY BATES-HANDEL, played strongly and was our leading Goal scorer. MICHAEL LEE was our best player each week and scored some smart goals. LYNDON GOLLEDGE was very good in defence and his attacking skills blossomed at the end of the season. BLAKE MADDICK also tackled strongly and used his long kicking ability well. CHRISTIAN HABERLEY made some great saves in Goals and showed a lot of courage at times. CLAY QUINLIVEN chased hard every week and scored a much deserved goal. COLIN CRONIN tackled and tried hard each week and won many valuable possessions. TIM STROH improved out of sight and proved a consistent kick 'GETTER' late in the season.

A thoroughly enjoyable season with the boys improving our of sight with positional play and teamwork being an exceptional part of their play and their enthusiasm rubbing off on the Coach and Parents who I might add were an absolute delight and restored my faith in Parents as desent humanbeings, who were there every weekend with positive encouragement for the boys and for me (which makes a pleasent change). Without wishing to single out anyone boy for special mention as every boy put in 110%, I just like to Thank JOHN HOWARD who was dragged up from a lower grade due to Club mistake and in his first year of soccer and in a very competitive grade tried his best week in week out.

And to the rest of the team and their Parents Thank You for a very enjoyable season from the COACH.

The 8-C's had a very enjoyable season with all of the boys improving their skills as the season progressed.

After being soundly beaten in the first few games we gradually developed to the point where the number of Wins and losses were about even and we were competitive with everyone we played.

More importantly, we enjoyed our Soccer and had positive support from our Parents. PAUL REID and JAI McMORDIE did a great job in Coaching the boys and contributing to them looking forward to their game each week.

1994 was the last Non Competitive season for the under 8's and whilst not having a successful season in relation to wins the boys did have a season where they consolidated their earlier skills with new ones including such things as team play.

TRAVIS FRASER was tenacious all season playing a number of roles as did TOM BARKER who had good games both in Goals and on the field. Also doing sterling service in Goals was MITCHELL PARTON who combined this with good games on the field. Playing full back all season was our leading defender MICHAEL DAWSON who had a great season ably assisted by ADRIAN VEALE who provided resolute defence as well as helping in Goal. Our anchor man in the mid field was BRADLEY HARE who excelled him self in this position. BRADLEY was supported by CAMERON SMITHERS who had great control in the right mid field. Also in the mid field was our new boy PAUL IMBREE who quickly began to pick up and display soccer skills.

Our forwards this year were DANIEL NICHOLS who besides being our leading Goal scorer had a great year. Also having a great year in the forwards was SHAUN THODEY who was second highest Goal scorer and put in a great effort all season.

WELL DONE and a GOOD EFFORT 8-D's.

When I first saw all the boys play and train at the beginning of the season, I thought we would be a very ordinary side that would get beaten most games. There were a few signs that a couple of the players could be good but the rest lacked a lot of skill, mainly because they were in their first years of soccer. In our first game we got thrashed by a team that were not too impressive. The reason that we lost was because the whole team were following the ball and the opposition punished us. The next week at training Greg and I taught the team about positional play and ball skills. At our next couple of matches we lost but we were improving every game. Then we had a couple of draws and the team was starting to look good. All the weeks of training doing ball skills were paying off and I knew which positions suited which boy. The team had great midfielders with Paul and Chris standing out and Mitchell, the quiet achiever. The backs were great with Robert, Kris and Ryan standing out but we couldn't seem to score goals. With the move of Jarrod into forwards and Thomas into mid-backs, the team started scoring goals with Alex and Michael leading the way. We were dominating most games but could only manage one all draws all the time with no one doing too well in goals. Then we found a great goal keeper in Steve who was exceptional. After regrading we got dropped to F Grade and were playing brilliantly with Paul putting great balls through to Alex and Michael and they were starting to finish off goals more regularly. Then came the big double header weekend when we were playing Bangor 1 and 2. Bangor 1 had been undefeated all season. We played them first. GyMEA totally outplayed them and in the second half Chris H scored and we won 1 nil, with our first win of the season. For our next game we were still on a high and we won 2-0. At the end of the season we went into a bit of a slump, but the boys showed a lot of character when we played Menai. We were one short when Ryan arrived just in time. We were down 1-0 at half time but would have been more if Steve hadn't saved some absolute ripper goal attempts. In the second half we got our second wind and with Paul setting up Alex just after half time, it was one all. Paul was in devastating form when he ran through the whole team then passed to Alex to make it 2-1 our way. We were 1 up and yet again Paul set Alex up to score again. The other team had their chances but were too scared to take on Robert and couldn't pass Ryan. Kris F played a great game dribbling the ball out and clearing on a number of occasions and when the whistle blew in was 3-1 our way with the boys making the come back of the year. Our last game was a shocker losing by a lot but other than that we had a great season. As I said, at the beginning of the season our team lacked skill, at the end of the season each boy had improved 100% and each boy has the potential to go far in soccer. I would just like to mention the boys in the team that didn't stand out in every game but if it wasn't for them we would have lost every game by 10. Thomas Black who I would normally get to mark the best player on the opposing side and he would normally shut them down completely. Mitchell B. - great midfielder with great dribbling skills and in the last couple of weeks was so close to scoring some great goals. Ryan M made a lot of goal saving tackles. Michael D didn't score as many goals as Alex but set up heaps of them. I think if our team played the same team in the first round again, we would beat them easily.

I would like to thank our enthusiastic and motivated manager Mr Millard for all his help and organisation and also my co-coach Greg for all his support and help during the season. I enjoyed coaching the boys immensely.

The team established themselves in the top flight with considerable team spirit and commitment. The boys showed improvement in technique during the second half of the season and were unlucky to miss out on a Semi-Final spot by one point.

Attendance at training was excellent throughout the year, which is a credit to most Parents.

The 9-A's entered the MOOREBANK KNOCKOUT Competition and reached the GRAND FINAL by defeating some strong opposition. Overall the team's performance and attitude was pleasing, both in training and matches.

At the beginning of the season, we had 14 boys with only experience playing modified rules, by the end of round 18 we had a team of Semi-Finalists. Throughout the season the Boys played with enthusiasm and courage, always keen to go up against even the biggest team, with a great spirit of friendship amongst the team. It was clear to those on the side-line, that the skills of every boy developed week by week, almost entirely due to efforts of BILL DAVISON. Although knocked out in

the first Semi-Final - I feel sure all the Boys enjoyed the season.

The teams defence was always sound but lack of experience restricted their goal scoring opportunities.

Special Thanks to DEBRA HARRISON, who Coached the team with enthusiasm throughout the season. The boys always looked forward to the training sessions and the next game.

The season began with great promise. The first seven rounds saw us leading the table, and with luck on our side undefeated.

Unfortunately overconfidence and luck failed thereafter with the loss of a player and a series of injuries, particularly to our strongest player, Luke. A knee injury thence a fractured bone in his hand saw him out for most of the season. Luke displayed great team spirit and attended the matches to support his team mates, despite the obvious frustration.

These losses saw us beg, borrow & in one instance steal a player (thank you Doc for stepping in as Goalkeeper) to allow us to field a full side week by week and keep our hopes of a semi-final berth alive until the last games of the season.

Cont.

On behalf of the team we thank those players from 8A, 9A and 10C teams ( too numerous to mention individually), parents, coaches & managers particularly Steve Gikas (9A coach), David Froud & Carol McGrath ( manager & coach respectively of the 10C's) who responded regularly on short notice to supply replacements.

The boys were fortunate to be coached by Craig Rogers this year. For those that were willing to learn Craig imparted a great deal of knowledge of the game and improvement of individual skills to the boys whilst stressing the importance of sportsmanship and enjoyment of the game. He was firm but fair with the boys.

This was a young team compared with their opponents with the majority of boys turning only ten in June & July and their performance was very good in what was a very strong A grade competition.

Next year will see a restructuring of the age groups by FIFA with some of the boys progressing into the Under 12's and the remainder to the Under 11's.

I trust the boys enjoyed their soccer this year and hope they continue to improve their skills and enjoy future seasons whichever age group they play in next year and we will be interested in their progress.

Lastly our thanks go out to the loyal supporters, parents and others, who came and supported the boys when they played.

Memorable highlights of the season:

Doc stepping into the breach as goalkeeper midway through the season.

Brad & Glen's strength in defence.

Alan's growth in confidence at sweeper.

Adam's determination at centre back \stopper.

Ben's performance in goal against Caringbah North which kept us in the game and supporter's in intensive care.

Luke's control & tirelessness in midfield sorely missed in latter rounds.

Jeremy's run's up the left wing.

Chris's strong kicking.

Those literal, last minute goals by Daniel & Damien to snatch victory or a draw from the jaws of defeat. (not for the weak hearted.)

Proud parents watched from the sideline as the Gynea United 10C soccer team played another fine season of junior soccer. All team members showed encouraging signs of development during the season in teamwork and skills. Our sincere thanks go out to Carol for taking on the task of coaching the side. Carol gave up a great deal of her own valuable time to coach our boys and we all appreciate her efforts. Coaching this side probably receives more attention from the sideline than our Prime Minister does from the media and we all know that Carol received a lot less pay for her efforts.

The boys all gained a lot of experience throughout the season in a variety of positions. No doubt this will be helpful for next year when they should start settling into permanent "specialist" positions. We also learned the all important three P's, thanks to a special guest training appearance by Steve Pyett. Will they ever forget Position, Possession and what's the other one, oh yes, pressure. The latter being quite possibly the most difficult one for our good natured, well loved, generally spoilt lads to dish out. Perhaps another year or two with the setting in of greater independence and a growing competitive spirit they will learn to master this one last elusive P and become the top class soccer players they all deserve to be.

With the changes in age regulation, 1994 was the last year that all of the boys will play together. We encourage them to remember all of their former team members and show an interest in their games and personal development. On this note, a special thanks to Doc for contribution before joining up with the A team mid season. As well as a lot of fun, great mates result from playing team sports and this obviously also applies to the parents and other spectators.

Thanks for the season of entertainment guys, we enjoyed all of the moments, in particular the goals, certainly all of the spectacular saves and above all, watching you enjoying yourselves, increasing your skills and strengthening teamwork and friendships. Thank you Alex, Brett, Cameron, Daniel, Julian, Karl, Matthew, Owen, Paul, Ryan, Scott, Simon and good luck for 1995.

It was a great season for the 10-E's. We went from falling over the ball at the beginning of the season, all the way to the Semi-Finals. a true indication of how well all the boys had improved their play throughout the season.

The most notable indication of improvement is how the boys began to play as a team, depending on each other to score goals. All the Boys managed to find their niche in the team as the season progressed.

We look forward to another great season in '95.

Well this year certainly had its highs and its lows, with unfortunately more of the latter. We performed really well against the top teams one week and have a rest day against the lower teams the following week. This lack of consistency was the thing that really hurt us all year. However to the boys credit, they never gave up and were extremely unlucky not to win many of the drawn games during the season. Our attack consisting of TIM, BRENDAN & LEE played their hearts out and came up with some really great goals as well as many near misses. In the midfield it was SCOTT, JOSHUA & MARK who held the team together combining good assistance in defence with some excellent passing and ball movement to keep our strikers busy, while our never say die defence line-up of MARTIN, BLAKE, DAVID & DOMENIC never gave an opposition striker an even chance and by the end of the season were experts at the 'OFF-SIDE' trap. Our Goal Keeper, BRAD, had a hard year but never gave up and at times stopped the unstoppable. It wasn't a great year as far as competition points went but considering we were one of the smallest teams in the competition and could still match it with the best, showed this team has a lot of skill and determination.

Do you believe in fairy-tales?  
Well ask those associated with Gynea 11-E's and I am sure they do.  
Lets see if we can convince you.

Throughout the season Gynea played 21 games, 13 Wins, 4 Draws and 4 losses. The team scored 32 goals and conceded only 10 against. A most impressive record. Near the end of the season the Semi-Final ists were known but the order in which they were to finish was not decided until the very last round. Both Grays Point and Gynea were equal leaders prior to the last round.

You guessed it Gynea played Grays Point to decide which team would be Minor Premiers, Grays Point Won 1-0. But we were not disgraced. The loss to Grays Point and the outcome of other games found Gynea in third place, An excellent achievement even though we had been either in first or second place all season.

The sudden death Semi-Final against fourth placed Sylvania looked to be a difficult assignment since Sylvania won both of our previous encounters. Gynea exhibited a commitment the likes of which Sylvania had not seen from Gynea previously. GYNEA Won 2-0.

The Final saw Gynea dispose of Lilli Pilli, 2-0 to set up a show down with the Minor Premiers in the Grand Final.

Our fourth game against Grays Point was no different to those played earlier in the year. A real struggle with both sides missing opportunities to score, A second half goal was the only difference between the two evenly matched teams. But this time Gynea was the Victor. Now do you believe in Fairy-tales?

The result was a great finish to an excellent season. I wish to Thank LYN MUDIE for her great managerial skills as well as my Coaching staff for their help in making my job just that much more enjoyable.

I also wish to Thank the players each and everyone of you for your commitment, enthusiasm and good Sportman-ship throughout the season.

I am proud of their achievements and privileged to share in their success.

This year was enjoyable and successful one with the team starting as the defending Premiers saw the team finish as MINOR PREMIERS, qualifying for the Champion of Champions competition and best of all, PREMIERS again.

During this season the boys won 16 games, lost only 4 and draw the remaining other 2 games. Along the way they scored 54 goals and had only 27 scored against them.

A slow start to the season can be attributed to the fact that the team had five new boys to fit into the team from the previous year. By the fifth game the boys turned it all around and went on to be undefeated for the next twelve games.

This turn around can be attributed directly to the Coach who was able to mould the boys into an enthusiastic, committed and competitive team.

The most pleasing aspect of the season was that the boys never gave up in any game and that they continued to play for each other as a good team does even though there were a few hiccups here and there along the way.

In the first SEMI against Bangor the boys got off to a bad start and trailed 2-0 by half time but to their credit they came back to lead 3-2 before finally losing 4-3. After a tight struggle against Menai in the Final, in which we saw the game flow from one end of the field to the other, the boys showed their ability to WIN 1-0 in extra time.

The GRAND FINAL was a very nervous affair. From an early goal by Bangor the boys fought back to lead 2-1 before the opposition leveled just before half time. The second half saw the team absorb many attacking raids before they got their second wind and launched their own attack which resulted in their third and winning goal.

Finally the PARENTS and Supporters must be THANKED for their support and encouragement to the team throughout this terrific season.

Another great year of soccer. From round one it was either GYMEA or BANGOR for the Premiership. While we improved and tried hard all season we had to settle for Runner Up. A great effort TEAM.

The season demonstrated the many talents of the Boys. ADAM HUCKER was devastating as centre forward scoring over 30 goals. Ever reliable PAUL MCKAY set up numerous goals. TODD LAWRENCE and NICKLAS AGREN proved to be good mid-fielders and successful goal scorings forwards. CRAIG MCPHEE and DANIEL OFFORD were excellent in the midfield, with CRAIG becoming the team's workhorse. DANIEL's departure saw MARK PEREIRA demonstrate his agility as an attacking midfielder. KARL CLEMENTS always gave 110% on the left wing. DAVID MILLARD, our utility player, gave outstanding service in every position on the field.

The core defensive trio was IAN DUNNE, MATTHEW CROSS and BRENTON VEALE. IAN was notable for his cover defence. BRENTON for his 'Never Say Die' approach to blocking opponents. MATTHEW CROSS was always in the way of attacking forwards but also caused havoc amongst our opponent's defences with his high and accurate corner kicks. If all else failed our opponents confronted MATTHEW HIGGINS, who hated to concede a goal. Our 'Rock of Gibraltar' denied all teams goal scoring opportunities.

Congratulations to the team from the Parents and Supporters Club for an excellent season, played as true Sportsmen.

The 'BATES BIKE SHOP BOYS' got off to their customary slow start loosing two of the first three games and drawing the next (3 points from 8) not so good.

From then on we got our act together and although we couldn't catch the tear-away leaders we still managed to finish a good second, four points clear of third, and then go on to make the Grand Final.

It was good to have a couple of new faces, MITCH and DEAN in the team and to have ANDREW AND MATTY B. back where they belong, in the 'A' grade.

Over the past four years the B.B.S. boys have gone from 'B' grade Grand Finalists to two 'A' grade Finals and this year an 'A' grade Grand Final, what a pity the new age rules commence in 1995, we might have got our hands on a Winners Trophy in the next year or two.

MINOR PREMIERS / RUNNERS UP

The '94 season has come and gone and what a successful season it was. With 13 guys putting in 100% week after week, we achieved what we set out to do.

\*\* THE STARS OF THE SHOW WERE -

\*JUSTIN POWER.- Winger, always busy in attack. Scored Goals and set up many. Never stopped grinning from round 1.

\*OWEN FIELD - Defender. midfielder with the big right boot. Turned defence into attack on several occasions.

\*BEN WONG - Mid-fielder with the ability to score from anywhere. Thinking player with good skills and dance steps.

\*TROY MURPHY - Mid-field, utility player who covered various positions all season. A real team player and a pleasure to coach.

\*LES KEERS - Striker who slotted a bag full. Very layed-back with a great attitude and with 25+ Goals to his credit, certainly had a great season.

\*ANDREW LEESON - Sweeper and very safe in this position always got the job done. Reliable and Dependable, a pleasure to watch.

\*DAMIEN WELSH - Winger who provided our strikers with great service all season. Good ball skills, dazzling their defence on more than one occasion.

\*PHILLIP GLENDINNING - Full-back with a lethal tackle. Often left the opposition attack wondering what they had done to deserve that!

\*REECE McMORDIE - Stopper who lived up to that title. Stopped our opponents, controlling the middle of our defence, thus giving our attack plenty to work with.

\*DANIEL MURPHY - Full-back with good ball control. Enthusiastic and consistent, very, very reliable.

\*DANIEL THOMPSON - Centre Mid who controlled the Mid-field in fine style, servicing our for-wards well and slotting goals himself when given the opportunity.

\*JAI ELDRIDGE - Keeper who captained the side through the final series. LED by example showing little concern for self preservation with some awesome saves.

\*PAUL McDONALD - Mid-fielder / Keeper who's season was cut short due to a broken arm, however his team contribution was priceless. Has a future as a KEEPER.

Cont.

REX McDONALD - Team Sponsor! Thanks for your support in '94 REX. I'm sure you enjoyed the season as much as I did. I know the guys enjoyed betting on results with you.

SHIRLENE McMORDIE - Manageress extrodinare, who had a huge season doing all the things us Coach's forget or simply can't do. Thanks heaps for making my season easy.

All of these people made the '94 season what it was. THANK YOU to the Parents for their contribution and support during the season. I'm sure the guys did you all proud.

Congratulations to the Committee on a great season. Without your efforts in running this fine Club weekends would just be 2 more days of the week.

SEE YOU IN 95'

CHEERS!

Our season started convincingly against Lilli Pilli winning 3-2, they eventually took out Minor Premiers position. Therefore Boys we know you have the ability to mix-it with the best. The move up to "A" grade saw the need to be more committed in the game plan, react faster to the ball and tackle harder. We were successful in doing this for the first half of the season gaining second place on the points table, a great achievement. Grays Point was our stumbling block, we looked threatening but unfortunately just were not able to score.

Other memorable games, Sylvania 0-0 Saturday, 0-0 Sunday then loosing on a penalty shoot-out. What a match, what a team you never stopped trying.

We finished the season one point behind fourth place. A tremendous effort in "A" grade. We showed the other teams that GyMEA has the ability, the spirit and determination.

Boys a Great season, WELL DONE.

If you look at the records and see that the 14-B's only Won one game and drew another scoring only 7 Goals and conceding 35, you would think that it was a pretty poor year. This was far from the case. We played the best side 3 times and they scored 16 Goals against us. Nine times we were beaten by one Goal, six of those being 0-1.

As can be easily deduced our defence was very strong and we cried out for a centre forward who knew how to score Goals. ROBBO was magnificent in Goals all year and MICHAEL W. never stopped encouraging everybody all year. TODD saved his best game for last and MORRIE was solid all year. KIERAN was almost the surprise of the year improving greatly over the season. Both BRIAN & TIM W. improved when playing at the back although they both hated it. SCOTT is just a pleasure to coach as nothing worries him. PAUL started the season very strong and along with STEPHEN & RYAN controlled the Mid-field all year. PHIPPSIE tried so hard to score all year but towards the end of the season was devastating in the Mid-field. TIM B. hates the "HILL" even more than me but was a big improver over the year. Last but far from least dashing "DAZZER" whose keenness on the field was infectious, brought the best out of all those around him with his non-stop efforts.

We saved our best game for the last, our only Win, but it was a pleasure to Coach this side who never gave up - (Well only once) and always had a 95% plus attendance at training.

I hope that the whole side returns next year and with a Goal scorer and proper Coach they will have a great year.

I would also like to THANK my Manager ANN MORRISON for all her assistance during the year,

GRAND FINALISTS

The 1994 season was a season that I am sure both the players and parents will remember with pride.

From early in the season it was obvious that there was a lot of skill and potential in the team and that the forthcoming season held a lot of promise.

Under the guidance of Coach Bostock this came to fruition with the team finishing on equal points with Bosco, Bosco being declared Minor Premiers on "for and against".

The semis saw us play Bosco with the result being 0.0 after extra time with Bosco moving to the Grand Final. We then faced our arch rivals Lilli Pilli in the final and after an early goal to Lilli Pilli we had the pleasure of winning 2 - 1.

Unfortunately we lost the Grand Final 1 - 0 to Bosco with only two minutes remaining in extra time - Congratulations to Bosco.

This was a team of "GOERS" who played the game with the right spirit and many players backed up on many occasions to help out other teams (particularly the 18B's) when they were short.

Not once did any one refuse, quite the opposite-the sign of a good "Club" player.

I do not intend to single any one player out we can all remember those special moments.

It was however, pleasing to see so many of the team improve their skills and mature as players during this season this is good for the club in the future.

Thank you time to:-

- Shirlene "The Orange Lady" McMordie for providing oranges every match;
- The parents for their non-interfering support and friendship all season;
- Coach Chris Bostock for the patience and maturity to pass on his skills and guidance to the players;
- To the players for allowing me the pleasure of being your Manager.

The 1994 season was a season the 16Bs will certainly remember. The team started the season with a strong nucleus of members from the previous year and were strengthened even further with the addition of a number of new players from other local clubs. The boys began confidently with the team showing that they were contenders from the outset. Half way through, the boys seemed to lose their momentum and neglected the basics of the game.

This loss of momentum may have been the result of the wide disparity of skills in the competition. There were some teams who were literally thrashed week after week and it became apparent that the competition boasted only three real contenders - Bosco, Sylvania Heights and Gynea. This was confirmed at the end where one point separated the three leaders. Unfortunately, this line up persisted until the Grand Final.

Some of the highlights for me as the manager this year were the excellent attitude of the boys - win or lose - the sportsmanship displayed during the season and possibly one of the finest goals I have ever seen by Steven Hills against North Sutherland with a reverse over the head goal "Pele" style.

Best goalkeeping: Liam Tierney and Travis Tyler.

Excellent midfield play by Glen Brack, David Greiner and Ben Matthews.

Rock solid defence as evidenced by the fact that the team conceded few goals - David Opperman, Paul Grey and Andrew Rowling.

Forwards, Andrew Lennon, Andrew Porter, Tony Roach, Troy Wilson and Richard Whitfield.

Like a fine wine, this team does not travel all that well but they will only get better with age.

Well what can I say! For a bunch of School mates, rallying around to make a team.

We started the season off with enthusiasm, but a few hick ups saw us down to 9 players some games. Over all most games were entertaining with some terrific team work and others leaving us scratching our heads.

A great TEAM "SPIRIT" was evident from the start of the season till the finish. The Boys and I would like to Thank RAY for taking us under his wing, when we needed someone to give us a hand. THANKS again RAY.

Well Boys your H.S.C. is the biggest game you will have to train for. So from all your supporters, RAY and I, we would like to wish you all the best and when its over enjoy your Queensland holiday.

HOPE TO SEE YOU NEXT YEAR.

UNDEFEATED PREMIERS.

FINALLY WE DID IT !!!

A great year for the 21s's winning our first Competition at GYMEA. We went through the year undefeated, scoring 117 goals for and 13 against. For most of us it was a deserved victory having played in several Finals without success since the under 6's and 7's. The social aspect has improved since then with the help from our Sponsors - GYMEA HOTEL. Many of our Post-match team talks went into the early hours of Sunday morning at the local haunts. Despite this side of our training we were relatively fit thanks to ROBBO's torture training and the example he set.

Many THANKS must also go to LUKE MASON for the time he spent and the interest shown during the season. The boys will be organising a Raffle for LUKE's end of the season trip to ALCOHOLICS ANONYMOUS (no refunds just because it's Cricker season). It would have been good to have BUCKO on the field to share the glory but a BIG THANKS for managing us and staying involved. Another casualty for this year was BRETT TURNER who broke his leg during training which shows how hard we train. (WILL HARDMAN) good to see COLBY (PIG) back playing with us. If he kept his hands off the ball he would have spent more time with us on the field than with JASON in WANG's car on the sideline.

In summing up I would like to THANK the guys for a great season and also THANK the Committee for helping us out with our various hassles with the Association throughout the year. It seems the Association has some long term problem with us and it's a pity they won't tell us what it is. It was good to see the boy's stick to it and win the 21-A PREMIERSHIP.

1994 saw this team with a few new players, a new Coach and a combined competition of U19 and U21 sides.

We started slowly due to suspensions robbing us of up to five players but once the team was all available our play picked up and we started to win games.

Although we still had some minor set backs through the season we still managed to win the U19 section of the Comp (not sure if we can call ourselves Minor-Premiers!), win the Semi-Final but lose on the day in the Grand Final.

In general I was pleased with the way we played. The defence contained our joint players of the year TROY BRENNAN and STEVE BELL and the Coach's player MICHAEL RILEY and most weeks performed well. In Mid-field LUKE JEFFREE captained the side and took the responsibility well.

Up front our Goals were mainly shared by DAVE RILEY and DAVID WARD with support from MARKO PEDIC. Also due a mention is MICHAEL WARD who played everywhere and always gave 110%.

I was most pleased with the attitude shown at training and in the main on the field when we received very few bookings all year, a big improvement over last season.

Let hope all the team returns next year and we can go one better and take out the Premiership.

Thanks to CRAIG DENNIS who handled his job as team Manager superbly allowing me just to get on and coach.

Finally congrats to our U21 who won the Competition (but didn't we give them a fright!) and best of LUCK in Champions of Champions.

It's been a rebuilding year for the team, with the introduction of 5 or 6 young players, a couple of new older players and a few of the old stalwarts it seemed a pretty reasonable side. The sad thing was that our football was great but we would end up losing by the odd goal. Games that we should have won, we didn't but the overall morale of the team was outstanding and even though it wasn't a winning year, it was a most enjoyable one. I'd also like to Thank the team for their efforts in their club duties i.e. Ground Control etc. and can't wait to lace the boots on for next year.

P.S. If anyone knows the whereabouts of a good Striker, ask them to give me a call.

Well the 1994 season was a rebuilding year for the AL-12's we saw it as a platform on which an AL-12 premiership would ultimately be achieved. After clearing out a lot of the dead wood down to Cobargo Road where he now spends Sundays entrenched in his Smoky Dawson chair, watching Sports shows, we went looking for new talent. Coach BONE demanded more strike power up front and we went out and secured the services of BARRY JOHNSON and DAVID FORSYTHE. You all remember BARRY of a few years ago, plenty of pace and plenty of aggression, well if you take away the pace and aggression BAZZA hadn't changed at all. As for DAVE he had a great year and managed probably about 200 chances to score, but unfortunately had a low conversion rate and only managed 5 goals - I could mention some comments from SUPER COACH, BONE on the 195 misses but this is a family publication. We signed up ROB BLUMOR to give the team a lot more balance, together with his brother MICHAEL, we had injury prone old crocks on each side of the ground - no this is not quite true as the 2 BLUMOR boys had great seasons and one game in particular they played as our strikers and they worried the life out of the opposition with their incisive runs.

Fitness was our major problem and one could only say that our fitness Coach, STEPHEN WARD was an absolute joke. One could understand that he did have a herculean task getting us into shape after a season of heavy Cricket commitments, but the straw that broke the Camels back was when TONY DALE finally arrived at a training session and after staggering around the oval for a lap he had to be resuscitated, fitness Coach WARD was never seen again.

As for our Soccer form on the field one could only heap praise on our SUPER COACH, BONE, which only through the coaching genius of this Man that we were able to be a SEMI FINAL threat at certain parts of the season. I have no doubts that if we had been able to play all our matches at the GYMEA BAY CAULDRON we would have won the Competition, as long as the SEMI FINALS were played there as well. We had some great Sundays at the CAULDRON.

As for the players they all contributed at some point - usually to lose us a game. CHADWICK SMITH had another great year in Goals - a great technician in the art of Goal keeping - not a great believer in the theory that Goal keepers should move. ROB 'AXE' OWENS really has matured into a great foot-baller now, we have turned him from an unabashed hit man into a seasoned campaigner - he now waits until the Ref is looking the other way. JAKE 'or JOKE' as someone cruelly labelled him - had a good year but needs to get more involved. JAMES 'THE SHIN' BOWMAKER had another injury racked year finally surcoming to a groin injury - could soon be due for a complete body overhaul and body reconstruction. TONY NEALE had another tough year always putting in 100% however did suffer some heavy knocks - rumors are that the people from COBARGO ROAD have put in an order for another SMOKY DAWSON chair. GREG CHECK developed into a real personality player and every time he touched the ball he brought the crowd to their feet. highlight of his season was when he missed a penalty but scored from the rebound - he still got fined \$10 - which is still under dispute. SCOTTY PARKER once again was an absolute Legend, I've got to say that because he kept buying me drinks on the end of season trip - the only player I've seen who can play 90 minutes in the rough and tumble of AL-12 soccer and never have a hair out of place. DICK had a very disappointing season and was a complete and absolute failure on the end of season trip. This was the Man who was going to have the local Women flocking all over us. His only defence was that he reckoned he had a major handicap but that was a cope out, fancy referring to your mates as a handicap. Player of the year was shared between COL GRIMBLE (who had a good season) and that great athlete TONY DALE. Tony was a constant danger to the opposition as he attacked the opposition on the fringe of the rucks. He constantly brought the crowd to its feet as he hit the ball at explosive pace.

Well that just about sums up another season.

See you next season.
